

15. Some people say that with slow economic growth and scarce federal finances, that any financial assistance available for companies should go to big corporations and big industry first because the impact on the economy will be faster and more jobs are at stake. Others say that any financial assistance available for companies should go to small business first because the impact on the economy will be faster and more jobs are at stake. Which statement is closest to your own point of view?

	TOTAL	GENDER		AGE			EDUCATION			INCOME
