

Article 5
Missions under United Nations auspices

The medical services and religious personnel participating in operations under the auspices of the United Nations may, with the agreement of participating States, use one of the distinctive emblems mentioned in Articles 1 and 2.

Article 6
Prevention and repression of misuse

1. The provisions of the Geneva Conventions and, where applicable, the 1977 Additional Protocols, governing prevention and repression of misuse of the distinctive emblems shall apply equally to the third Protocol emblem. In particular, the High Contracting Parties shall take measures necessary for the prevention and repression, at all times, of any misuse of the distinctive emblems mentioned in Articles 1 and 2 and their designations, including the perfidious use and the use of any sign or designation constituting an imitation thereof.

2. Notwithstanding paragraph 1 above, High Contracting Parties may permit prior users of the third Protocol emblem, or of any sign constituting an imitation thereof, to continue such use, provided that the said use shall not be such as would appear, in time of armed conflict, to confer the protection of the Geneva Conventions and, where applicable, the 1977 Additional Protocols, and provided that the rights to such use were acquired before the adoption of this Protocol.

Article 7
Dissemination

The High Contracting Parties undertake, in time of peace as in time of armed conflict, to disseminate this Protocol as widely as possible in their respective countries and, in particular, to include the study thereof in their programmes of military instruction and to encourage the study thereof by the civilian population, so that this instrument may become known to the armed forces and to the civilian population.

Article 8
Signature

This Protocol shall be open for signature by the Parties to the Geneva Conventions on the day of its adoption and will remain open for a period of twelve months.
