

*Petition to incorporate The Mortgage Insurance Company of Canada*

The Parliamentary Agent stated that it was impossible to proceed with this petition at an earlier date. He also stated that the relevant legislation is being put forward by responsible private interests in an attempt to provide a needed mortgage service.

A request was made that the petition be received.

The Committee, having heard the explanation of the Parliamentary Agent respecting the late filing, recommends that Standing Orders 93, 94(3)(a) and (c) be suspended and that the petition be received.

Concurrence of this report will have the effect of waiving all charges in respect of the late reception of this petition and of the Private Bill based thereon.
