

of Trade and Commerce and also under control of Department of Railways and Canals; (f) what elevators are managed by harbour commissions; (g) what was the cost of such elevators built at public expense and what is the capacity of each; (h) what was the cost of operation and the revenue for the last year that report is available for each elevator?

FISH DOCK—VANCOUVER

Mr. MacINNIS:

1. What was the estimated cost for the construction of the fish dock built by the Vancouver Harbour Commissioners at Vancouver, and was the original estimate approved by the Department of Marine?

2. What amount was included in the original estimate for property charges?

3. What was the total cost of the work when completed?

4. Was any amount allowed for extras; if so, how much?

5. Did the commission's engineering department make the original plans and specifications and what disposal was made of these, with charges made, and was the design radically altered for construction purposes?

6. What amounts were paid, and to whom, for any property damages, encroachment or otherwise, with description and cause, respectively?

7. What were the dates of employment, amounts paid to, and the name of each person, in connection with engineering distributed as for plans and supervision outside the commission's organization, and on what date was work completed?

8. Who comprised the commission when this work was inaugurated, and who when completed?

TRANS-CANADA HIGHWAY

Mr. MYERS:

1. Is the government proceeding with the construction of the trans-Canada highway?

2. What mileage of said highway has been completed since the present government took office?

3. When may we expect a beginning to be made in the Prince Edward Island section of this highway?

MOTIONS FOR PAPERS

CONSTRUCTION WORK—DETROIT RIVER

Mr. GOTT:

For a copy of all letters and documents in connection with the investigation of labour conditions and employment on the international channel construction work in progress in the lower Detroit river, including the full report of the immigration officer, or officers, of the Windsor immigration staff, or other officials of the department making the investigation.

QUEBEC MUNICIPAL ACT

Mr. LAURIN:

For a copy of all correspondence between the Department of Justice and the government of the province of Quebec relating to the power of the Quebec legislature to pass the Quebec Municipal Act.

MAISONNEUVE, QUE.—POST OFFICE

Mr. JEAN:

For a copy of all contracts, letters, and other correspondence exchanged between the government and the city of Montreal, respecting the purchase of the old city hall of the former city of Maisonneuve, and the establishment of a new post office in Maisonneuve ward.

GENERAL W. ST. PIERRE HUGHES

Mr. CASGRAIN:

For a copy of all documents, reports, letters, telegrams, applications, ratings, recommendations and all other papers on the files of the Civil Service Commission and the Department of Justice concerning the vacancy created by the retirement of General W. St. Pierre Hughes, superintendent of penitentiaries, and the appointment of his successor, General D. M. Ormond, of Calgary.

ST. GEDEON, QUE.—WHARF

Mr. DUGUAY:

For a copy of the original paysheets for the month of June and the period extending from April 1 to July 15, respecting work carried out at the wharf at St. Gedeon, Lake St. John, in 1930.

DOCTOR J. E. BLONDIN

Mr. ROBERGE (for Mr. Dubois):

For a copy of all telegrams, complaints, correspondence, petitions, reports, communications and other documents, respecting the dismissal of Doctor J. E. Blondin of Bécancour, county of Nicolet, as medical attendant to the Abenakis in that locality.

ST. ANGELE DE LAVAL, QUE.—WHARF

Mr. CHEVRIER (for Mr. Dubois):

For a copy of all telegrams, letters, petitions and other documents exchanged between the Department of Public Works and Mr. Maurice Carbonneau of St. Angele de Laval, county of Nicolet, respecting improvements and repairs carried out at the wharf in that locality during 1932.

J. E. LANDRY

Mr. FAFARD:

For a copy of all letters, requests, correspondence, complaints and other documents exchanged between the national revenue department and any individual, with respect to the dismissal of J. E. Landry, subcollector of national revenue at Matane, Quebec, in 1928.

C.G.S. ARRAS

Mr. MacLEAN:

For a copy of all correspondence, telegrams and other documents, which passed between the Department of Fisheries or any member of the government, or any department thereof, regarding the firing of a live shell by the C.G.S. Arras, at Cape Wolfe, Prince Edward Island, last summer; also a full report of the investigation held at Halifax, Nova Scotia, into this matter, giving a copy of all evidence taken, together with the names of all parties examined in connection with the said investigation.
