HAMPSTEAD, MONTREAL.

Feb. 12<sup>th</sup> 1936.

Dear Mr. Morgan,

I thank you very  
much for your letter of the 6<sup>th</sup> inst.  
I was able to procure Pelou's list of  
schools, and obtain a great  
deal of useful information.

We are indebted to you for  
your interest in our problem.

Gratefully yours  
Merion Byrnes.
