

I would love,
 You would love,
 He would love,
 We would love,
 They would love,
 If I love,
 If you love,
 If he loves,
 If we love,
 If they (two) love,
 If they (more than two) love,
 I am loved,
 You are loved,
 He is loved,
 We (you and I) are loved,
 They (two) are loved,
 They (more than two) are loved,
 I was loved,
 You were loved,
 He was loved,
 We (you and I) were loved,
 They were loved,
 I have been loved,
 You have been loved,
 He has been loved,
 We (they and I) have been loved,
 They have been loved,
 I will be loved,
 You will be loved,
 He will be loved,
 We will be loved,
 They will be loved,
 I can be loved,
 You can be loved,
 He can be loved,
 We can be loved,
 They can be loved,
 I might be loved,
