

**THIRLWALL.—THE HISTORY OF GREECE.**

By the Right Rev. the LORD BISHOP of St. DAVID'S (the Rev. Connop Thirlwall). A NEW EDITION, revised; with Notes. Vol. I, demy 8vo. with two Maps, 12s, cloth. To be completed in 8 volumes.

"A history of Greece, written with profound and well digested learning, free from all party bias, executed on an extensive scale, and with no small measure of enthusiastic love for the subject; finally, at so moderate a price, as to be necessary to most students. This elaborate work will long be a standard of reference. Its characteristic excellencies are to be looked for in erudition, sound judgment, wise political remarks, and philosophic perspicuity; and there are throughout a flow and grace in the narrative which make the reading pleasing to an English reader. There can be little doubt, considering the general suffrage which has been given in favour of the work alike in England and in Germany, that no history of Greece now exists in German, or in any language, which can be compared with Thirlwall's."—*ECLECTIC REVIEW.*
