ENTRIES ARE BIG AT MARKHAM FAIR

Record Number in All Classes of Live Stocks This Year.

LARGE CATTLE EXHIBIT

Would Do Credit to Any Interprovincial Show, Say Judges.

Delightful weather and a big crowd favored the opening of the Markham fair yesterday, and this coupled with a record entry list in all classes of live stock fully 30 per cent. ahead of former years, made glad the hearts of the board of directors. The applications for space from horsemen all over the province are so large that local exhibitors like T. F. Haesard remained at their own stables, allowing outsiders the privilege of the grounds.

The exhibit of cattle was remarkably large, Holsteins, Durhams, Ayrshires and Poled Angus being well represented, and the fact that R. J. Fleming, one of the judges of the day in dairy cattle, pronounced the exhibit of exceptional merit and one which would do credit to any interprovincial fair is an indication of the quality of the animals.

The trotting races during the afternoon over an excellent track, were all hard fought, the 2 1/2 mile class requiring five heats before a decision could be reached. A better trotting event has ever been seen in Markham.

Results of Races.
The results in the 2 1/2 mile trot on race, mile races, were as follows:
Geo. Lacond, b.s.; J. Mc-
Dowell, Toronto 4 4 1 1 1
Alcon, b.s.; W. William-
son, Toronto 1 1 5 3 5
Blanch B., b.m.; J. Meade,
Toronto 3 3 3 2 2
Lettie D., b.m.; J. Burke,
Tottenham 2 5 4 4 3
Brown Hall, b.s.; J. Burke,
Tottenham 5 3 2 5 2
Timothy, b.s.; J. Burke,
Tottenham 2 2 2 4 2
The results in the 2 1/2 mile class were as follows:
Walter Hal, b.s.; P. McCarthy,
Toronto 1 1 1
Very Direct, b.m.; N. McQuarrie,
Orangeville 2 2 2
Thornpatch, b.s.; J. Burke,
Tottenham 5 3 3
Black Diamond, b.s.; T. Wil-
lamson, Toronto 3 4 4
Decorator, b.s.; W. Rose, New-
market 4 5 5
Annie Rooker, b.s.; J. Burke,
Tottenham 6 6 4
Time 2:24.

The judges and officials of the course are Isaac Watson and W. A. McCullough of Toronto and Herbert Galt of Port Perry. The timers are W. Harrison of Toronto, P. Armstrong of Locust and John Turnbull of Toronto.

While the awards in the carriage, radiator, high-stopping and practically all classes were not finally determined the preliminary inspection by the judges indicates keen rivalry in these classes today.

Great interest centered in the young Brazillan colt shown by Jimmie Smith of Agincourt, four months old, beautifully marked on the head and breast, and which was yesterday sold on the grounds at a fancy price to a Toronto man.

Daily Cattle Sale.
All of the prizes in the dairy cattle carrying off the bulk of the awards in the Durhams, while William Elliott of Unionville captured a number of firsts and seconds in Holsteins. In Jersey Fred Wagg and C. A. Cowles were the leading exhibitors, while John Laurie & Sons of Scarborough exhibited a magnificent herd of Ayrshires, eliciting from the judges the highest awards and commendation.

All Aboard Average.
A. W. Milne, the secretary of the association, reports the entries in all other classes "beyond the average." Great improvements have been effected in the buildings during the year, affording greatly increased accommodation.

A feature of the agricultural show is the Distinction Government exhibit.

Dr. George F. Kelly and William Michael are the judges on light horses, Robert Graham of light horses on the rein, and J. M. Gardhouse on Showhorses. Herford and Poled Angus. This will be the closing day of the fair.

CALEDONIA RATEPAYERS DISCUSSED CIVIC TOPICS
A meeting of the Caledonia Ratepayers' Association was held last evening in Hughes School, McRoberts avenue. President Dr. G. W. McIntosh occupied the chair. The question of park accommodation, extra lights for Caledonia avenue and a fire chief for the city were discussed.

Regarding the matter of a park, the meeting heartily endorsed the motions of the Earlscourt Business Men's Association and the British Imperial Association, requesting the city council to purchase the Royce property. P. James complained of the insufficient lighting of Caledonia road from St. Clair avenue to the city limits.

It was decided to write the lighting department in this regard. W. Vines also favored the extra lights on Caledonia road.

Much heated discussion was caused when the vacant position of fire chief was brought up, the chairman remarking that the city authorities seemed incapable of appointing a head for the fire department.

It was resolved "That the secretary write the city council, requesting them to submit the question of the appointment of a fire chief to the citizens on Jan. 1, as in the opinion of the meeting the city council were incapable of filling the vacancy."

FOSTER BROTHERS ARE SENT TO JAIL

Before Magistrate Brunton in Newmarket yesterday F. B. Foster and H. Foster, brothers, were charged with stealing from H. Foster, Jr., while the latter, who had fired on the intruders, was charged with shooting with intent to kill. The accused was somewhat conflicting, but the magistrate dismissed the charge of shooting with intent against Foster, Jr., while the two brothers were sentenced to two months in jail.

Solomon Solovinski, a Gwillimbury farmer, was charged before the magistrate with exceeding the speed limit on Yonge street on Wednesday night, when the motor car he was driving came in collision with a bus driven by Norman Baker of Elgin Mills. Mrs. Baker was thrown thru the windshield of the motor car and received severe injuries. Solovinski was remanded until next Tuesday, when the case will be heard in Toronto.

The Story of a Canadian Business Success

In 1909, a number of the leading milk producers of Ontario met to face the problem of the distribution of their milk to the consumer. Dissatisfied with prevailing arrangements with milk dealers in Toronto, the farmers decided to co-operate, establishing their own dairy in the city. The result is The Farmers' Dairy—the most outstanding example of successful co-operative enterprise in Canada.

Always setting the very highest standard of purity, cleanliness, and richness, The Farmers' Dairy has been an unqualified success. Outgrowing the first dairy, it has been necessary to build this wonderful new building. As an institution it is a triumph for the farmers, a justification of honest business methods, and a lasting tribute to the advances made by science in the interests of human welfare.

You Are Invited to Inspect

The Daylight Dairy

Toronto's Snow-White Temple of Cleanliness

You should see for yourself where your milk comes from. We want you to see this wonder dairy—this great white building, with its spotless interior bathed in sunshine. You never saw anything like it before.

Come and See the New Home of The Farmers' Dairy

Flooded With Daylight—Dustless—Spotless

White enamelled concrete walls—glistening white machinery—great big windows that let in floods of sunlight—corners rounded for easy cleaning—science never produced a more wonderful home for a great dairy.

Modern and Scientific Throughout

The Farmers' Dairy is to-day a monument to the wonderful advances made by science in the matter of pure, safe milk. Every piece of equipment is the latest improvement of its kind. The world does not hold a more modern dairy than the new home of The Farmers' Dairy.

Healthy, Happy, Experienced Employees

Our staff takes pride in its work. They take pride in their wonderful new home. They take pride in their marvellous machinery. But above all, they take pride in the fact that they are producing the best milk ever offered to the people of Toronto.

Come to Walmer Road and Bridgeman Street

We do want you to see this dairy. We know that it will give you a new conception of what your dairy should be. Come now—and bring your friends with you. Take a Dupont car to Spadina Road, and walk one block north.

HENRY FORD...

The Man and The War

In The Sunday World's next issue, Albert Ernest Stafford, in his "Crusts and Crumbs," discusses Henry Ford and his views on the war—talks of the man—why he is great—why some of his views are weak—foundations.

"Crusts and Crumbs" is a two-column-every-Sunday department of The Sunday World. It discusses seriously, candidly, and also pleasantly, the people and things that matter.

Henry Ford is looking forward to reading this coming Sunday's "Crusts and Crumbs." Regular readers look forward to it every week, for it is always interesting to people who think for themselves.

The Sunday World

LOCAL IMPROVEMENT NOTICE

Take notice that the Council of the Corporation of the Township of York intends to construct as Local Improvements the following works, and intends to specially assess the whole or part of the cost upon the lands abutting directly on the work, namely:

PAVEMENTS.
(Cost payable in ten annual instalments).
1. Lauder Avenue. An asphalt pavement 25 feet in width on a five-inch concrete foundation with 12-inch concrete gutter upon Lauder Avenue from the north city limit northerly 325 feet 2 inches, more or less, according to registered plans Nos. 1814, 1533, 1515 and 1516. The estimated cost of the work is \$2350.00, no portion of which is to be paid by the corporation. The estimated annual special rate per foot frontage is \$5.2-10c.
2. Glenholme Avenue. An asphalt pavement 25 feet in width on a five-inch concrete foundation with 12-inch concrete gutter upon Glenholme Avenue from the north city limit northerly 339 feet 3/4 inches, more or less, according to registered plans 1516 and 1518. The estimated cost of the work is \$2305.00, no portion of which is to be paid by the corporation. The estimated annual special rate per foot frontage is \$4.6-10c.

CONCRETE SIDEWALK.
(Cost payable in ten annual instalments).
3. E. Beedee Avenue. A concrete sidewalk 4 feet 6 inches in width with six-inch curb on the north and south sides of Beedee Avenue from Oakwood Avenue to Glenholme Avenue, an approximate distance of 324 feet on each side, making a total length of 648 feet, according to registered plans Nos. 1575 and 1587. The estimated cost of the work is \$2240.00, of which \$655.00 is to be paid by the corporation.

poration. The estimated annual special rate per foot frontage is \$2.3-10c. A petition against the said works or any of them will not avail to prevent their construction.
W. A. CLARKE,
Clerk of York Township.
Dated Oct. 8th, 1915.

Township of Scarborough Queen Street Sidewalk

TAKE NOTICE—

(1) That the Municipal Council of the Corporation of the Township of Scarborough intends to construct, as a local improvement, a concrete sidewalk six feet in width, with a six-inch curb, on the north side of Queen street in the said Township, extending from the easterly limit of the City of Toronto to the side-walk heretofore constructed on the west side of Victoria Park Avenue, and intends to specially assess the cost upon the land abutting directly on the work.
(2) The estimated cost of the work is \$720, and the estimated special rate per foot frontage, including interest, is \$2.30. The special assessment is to be paid in ten annual instalments of 33 cents per foot frontage. Of said estimated cost of \$720 the sum of \$32.00 is to be paid by the Corporation, being the proportionate cost of thirty-three feet frontage of said work at the intersection of Queen street and Victoria Park Avenue.
(3) A petition against the work will not avail to prevent its construction.
DATED at the Township of Scarborough this sixth day of October, 1915.
W. D. ANNIS, Clerk.

MEETING WAS POSTPONED.

Owing to the small number in attendance at the regular meeting of the Silverthorn Ratepayers' Association, in Silverthorn Methodist Church last evening, the meeting was postponed.

Township of Scarborough

TAKE NOTICE—

(1) The Municipal Council of the Corporation of the Township of Scarborough intends to construct and lay, as a local improvement, a six-inch water main in Victoria Park Avenue in said Township, to connect with water mains of the City of Toronto, which are to be laid on Bingham Avenue and Bracken Avenue, to connect with said Victoria Park Avenue, and to extend said water main from Victoria Park Avenue easterly along Windsor Avenue for a distance of two hundred and ten feet, and also to construct and lay, as part of said improvement, a twelve-inch water main on Queen street east in said Township, to connect with said six-inch main at the intersection of Victoria Park Avenue and Queen street east, and with the City of Toronto water main at the easterly limit of the City of Toronto to the side-walk heretofore constructed on the west side of Victoria Park Avenue, and intends to specially assess the cost upon the land abutting directly on the work, being the whole of Victoria Park Avenue in the said Township, south of the Kingston Road, on each side thereof, and each side of Windsor Avenue aforesaid, for a distance of two hundred and ten feet, extending easterly from Victoria Park Avenue, and each side of Queen street aforesaid, extending from the intersection of said Queen street and Victoria Park Avenue to the easterly city limit of the City of Toronto.
(2) The estimated cost of the work is \$8000, and the estimated special rate per foot frontage, including interest, is \$1.50, and the special assessment is to be paid in ten annual instalments of 15 cents per foot frontage.
(3) A petition against the work will not avail to prevent its construction.
(4) The notice published in The World Newspaper on the 8th of September, 1915, of the intention of the Council to lay water mains in Victoria Park Avenue and Windsor Avenue aforesaid, is rescinded and will not be acted upon.
DATED at the Township of Scarborough this eighth day of October, 1915.
W. D. ANNIS, Clerk.
