After Moving Picture Men

The managers of four moving picture shows were summoned to police court yesterday for breaches of the new act respecting such houses of amusement. Magistrate Kingsford declared that he desired to issue a warning so that it might be clearly understood that any of these places allowing children un-Mouiton will tell what they think in next week's issue of The Canadian by their parents, to frequent them, served as a delegate to the Manitoba would be fined \$50 and perhaps \$100 Government in reference to the school With this warning he allowed the guestion. It was in April of this same

As a public man he came into pro-minence first during the Red River rebellion of 1859. He was then ap-pointed by the Dominion Government

a special commissioner to investigate the state of affairs, and in doing so

Enters Politics.

In 1870 he became a member of the

legislature for Manitoba and St. John.

He was also called to the Northwest

for Selkirk to the house of commons. He resigned his scat in the house of commons in 1874, but remained a re-

presentative at Ottawa for six years, at which time he was defeated. Seven

years later he re-enetred the political

arena, being returned to the house o

commons for Montreal West by a ma-jority of 1450. In 1896, during the last

year that he retired altogether from political life, being appointed to his

Present position. His lordship's name is indisolubly asso-ciated with the history of rallway de-velopment in this country. Sir Charles Tupper's opinion was that "The Canadian Pacific Rallway would have no existence to day, notwithstanding all that the gov-ernment did for its support, had it not been for the indomitable pluck, energy and determination, both financially and every other way, of Sir Dona'd Alexander Smith.
