Papa May Spank His Girl of 35

She Returned Home Late and Indignant Father Applied Slipper.

PITTSBURG, Oct. 10.—Miss Pauline Law, 35 years old, who lives with her father, William Law, 65 years old, in Friendship-avenue, went out last night without telling her father where she was going and remained out until 3 o'clock this morning. When she reached home her father, who was waiting for her, took off one of his slippers, placed her across his knee and spanked her. Miss Pauline had him arrested for assault and battery. The case was heard this afternoon before Magistrate Kirby. The father was discharged, and the costs, amounting to \$10, were placed on the young woman.

"Your father has a perfect right to spank you so long as you remain under his roof if you are disobedient," ruled the court.

WHIPPED BOTH TWINS TO MAKE SURE--AND NOW? Professor Was Puzzled How to Deal With Boys Who Looked Alike as Two Peas.

PITTSBURG, Oct. 10. — Halbert Knightlinger and Albert Knightlinger are 13-year-old twins who look so much alike that the teacher at school cannot tell them apart. They were always getting into trouble and blaming it on each other, and Miss Carrie Singer, their teacher in the Soho School, had at times punished the innocent one for an offence committed by his brother. She made this mistake so often that yesterday she appealed to Prof. John A. Hollinger, the assistant principal, who decided to whip both of them, so he would get the right one. He did. Now he will have to answer a charge of assault and battery made against him before Ald. McDowell by Mrs. Mary Knightlinger, the mother of the twins.

GUELPH BANK MANAGERS IDENTIFY WM. HANLAN

Man at Orangeville Pleads Guilty and is Remanded for Sentence—Operations Were Extensive.

ORANGEVILLE, Oct. 11.—(Special)—William Hanlan, the bank swindler, arrested at Schomberg last Saturday, was brought before Police Magistrate Pattullo this afternoon, elected to be tried summarily and pleaded guilty. Crown Attorney McKay prosecuted. W. D. Henry defended prisoner, and C. R. McKeown represented the Bank of Commerce. Sentence was deferred until Saturday, 19th inst., so that previous record of prisoner might be looked up. This, the prisoner's counsel intimated, was good.

From the prisoner's wife and in his house \$150 was recovered, \$150 of which was given to the manager of the Sterling Bank just prior to his arrest, and the balance taken into possession by High Constable Hughes, 320 of which the prisoner generously directed to be given his solicitor for his defence. The money recovered was nearly all of the bills of the Bank of Commerce variety. Evidence of the prisoner's record was furnished in a startling manner on the adjournment of the court, when Managers Neiles and Duff of Guelph, managers of the Metropolitan and Commerce Banks respectively, of that city, arrived in hot haste in their automobiles, the names of John Giffles, 74, prosperous Wellington County farmer. Orangeville will be invaded by Guelph bankers on the 19th, when the matter will again come up.

In view of these interesting developments, Hanlan may go to the grand jury at Assizes here on the 21st.
