Our Bargain list for Friday is one of the The World can be obtained in New York City at the news stand, St. Denis Hotel, cor. Broadway and 11th-streets. best we have given you this season. The items have been carefully selected and

with people. If it is, no one will profit so public and its inland carriage is cheaper much thereby as the Canadian Pacific, the owing to the magnificent system of inland Hudson Bay Company, the Crow's Nest navigation.

500 pieces, with linen back and woven edge, French make, ter different widths, from \$\frac{1}{2}\cdot \text{inch at 2\frac{1}{2}c a yard to 2\frac{1}{2}\cdot \text{T} monopolies they complain of, and kees for the trade of the world, and have

then Parliament may be in a position to several points in their favor to start with." Who will tell us what the special monopoly clauses are-Of the Canadian Pacific, Of the Hudson Bay Company, Of the Crow's Nest Coal Company?

Perhaps Mr. Richardson of The Winnipeg Hair Ornaments, made up of 50c to 75c side combs, back combs ribune will stand up and tell us! ANTI-SPITTING CRUSADE. The Street Railway Company be commended for its eff prevent the dangerous and un-

entlemanty habit of spitting on the ars. We believe the anti-spitting notices that have been placed in the cars have had an appreclable effect in diminishing the isance. Still, the habit of spitting in ublic places is much too common, and educative, if not compulsory, measures should be taken to eradicate the nuisance entire ly. A medical journal makes the state ent that if the sputum of consumptives was isolated just as it leaves the patients' mouths and prevented from getting a lodgment on the floors of houses or pavements of cities the disease would soon vanish entirely for lack of the medium by which it is propagated. There is good common sense behind the proposal to make spitting in public places and offence punishable by fine or otherwise. Public could be a New york of the country of the co Artificial Flowers and Plants, the balance of our stock, includ- of cities the disease would soon vanish ening foliage plants, chrysanthemums, etc., plants that were \$1 to \$2 each, Friday to clear at 25 tirely for lack of the medium by which it is propagated. There is good common 162 Infants' Kid Boots, also Satin Laced Boots, fur trimmed fine or otherwise. Public opinion in New York has been already educated up to this point. On Jan. 19 last Henry C. Neirman, a clerk for the Adams Express Company,

tion and wide flounce of embroidery, 38 and 40 inches long, regular price \$2.50, Friday....... 1.25 structing their conductors to personally warn passengers who spit in the cars against violating the anti-spitting notices.

LAW REFORM.

We believe the majority of lawyers do not conduct their business on up-to-date business principles. Our legal friends are not in the violating their conductors to personally palate, and once used there is certain to be an increasing demand for them. Read the anti-reasing demand for them. Read the anti-reasing demand for them. Read the anti-reasing demand for them are goods carefully and then give them a trial. Your grocer probably has them in stock, but if not, can get them if you ask him to do so. In any event refuse all initiations or substitutes and demand the genuine, original article as used in this famous sanitarium. 43 dozen Vests, fine ribbed, all-wool, button front, medium weight, white and natural, regular price \$1.25, Friday bargain dozen Corsets, fine sateen and coutils, medium and short lengths, white and drab colors, size 18 to 30, regular price 75c and 85c, Friday bargaia.......

in the missionary business, but, like men in other professions and callings, they regard their profession as a medium for moneymaking. There is a widespread impression among the general public that lawyers, as a class, take advantage of every opportunity to make fees for themselves at the expense of their clients. There is no cloubting the existence of such an impression. The ordinary man is as much frightened by a prospective lawsuit, whether he be plaintiff or defendant, as he is by almost any other calamity that could a method to the men in the men in the mission. The ordinary man is as much frightened by a prospective lawsuit, whether he be plaintiff or defendant, as he is by almost any other calamity that could a men in the mission. The profession as a much frightened by a prospective lawsuit, whether he be plaintiff or defendant, as he is by almost any other calamity that could a men in the mission. The men in the men in the regard their profession as a medium for moneymaking. St. Paul, Minn., Jan. 30.—Papers were filted there to-day in a suit by H. W. Pearson of Duluth against J. J. Hill and the Great Northern Railroad, and the amount claimed is about \$1,500,000. The sum included in the proceeding is not less than \$14,900,000, which is alleged to be the value of property held by Mr. Hill and the Great Northern Railroad, and the amount claimed is about \$1,500,000. The sum included in the proceeding is not less than \$14,900,000, which is alleged to be the value of property held by Mr. Hill and the Great Northern Railroad, and the amount claimed is about \$1,500,000. The sum included in the proceeding is not less than \$14,900,000, which is alleged to be the value of property held by Mr. Hill and the Great Northern Railroad, and the amount claimed is about \$1,500,000. The sum included in the proceeding is not less than \$14,900,000, which is alleged to be the value of property held by Mr. Hill and the Great Northern Railroad, and the amount claimed is about \$1,000,000. The sum included in the proceeding is not 360 American Percale Wrappers, waist lined, assorted colors, sizes 32 to 42 inch, regular price \$1.25, Friday 244 Beaver and Cheviot Cloth Coats, in black and navy, double breasted, high and low collars, sizes 32 to 42, our regular prices \$3 to \$6 each, Friday for...... 1.98 by almost any other calamity that could by almost any other calamity that could be fall him. The effect of this widespread aversion to law is that the dawyers do not get one-half or one-quarter of the business they would receive if a radical change were made in their methods of dealing with litigants. People would be inclined to hand over to the lawyers a great amount of legal over to the lawyers a great amount of legal (Emperor or Sovereignts). Editor World: Your article on "Sovereignts" in Wednesday's issueign and Sovereignty." in Wednesday's issueign and Sovereignty." in Wednesday's issueign is somewhat forcign to your usual problem. I have been cogitating for proclivities. I have been cogitating for your article on "Sovereignty." in Wednesday's issueign and Sovereignty." in Wednesday's issueign and Sovereign to your usual such is somewhat forcign to your usual forcign to your usual such is somewhat forcig 390 Curtain Poles, 18 in. x 5 ft., in oak, walnut and mahogany and semi-legal business if they could only 400 yards Fancy Cretonnes, 31 to 40 inches wide, extra heavy cloth, with double border or with all-over and floral designs, regular price up to 20c a yd., Friday

from lawyers and lawsuits. The legal profession need not be surprised if there is a strong public sentiment in favor of increasing the jurisdiction of the Division Court. This court is the most popular civil tribunal we have because in this court a 665 yards English Tapestry Carpets, that we have been sell-ing up to 65c per yard, Friday to clear at an can conduct his own case or he can .39 man can conduct his own case or he can engage anyone to attend to his business for him. The Division Court is popular be

cause practice in it is open to competition As long as the profession have the reputa-tion of making litigation as expensive as ossible they need not complain if the people engage so-called "unlicensed practition ers" to conduct their affairs. They need not complain if the people insist on in creasing the jurisdiction of such of the courts as permit of free trade among the practitioners as against a cast-iron trades unionism. If it is the intention of the Atcorney-General to enlarge the jurisdiction of the Division Court we know he wil have the support of a great majority the people of Ontario. We notice that th York County Law Association is not only sickness as mine." opposed to this popular reform, but it also or poses the increase of the jurisdiction o the county courts and the proposed uni of the County and High Courts as a means Anthony, Kan., Jan. 30 .- Twelve women for decreasing the cost of the jury system of the W.C.T.U., armed with pickaxes, and for effecting other economies. United States Naval Officials Claim to Have Secured Something to Beat the World.

SUPERIMPOSED FOUR-GUN TURRET

Is Expected to Deal Out More Destruction Than Any Other

greater importance has occurred in the his tory of the new navy of the United States, than that just signalized in the accord fighting essential to any vessel yet project ed by any foreign power. It records the complete triumph of a distinctively American device, the superimposed or four-gu turret, and it insures a wider radius of effective action than that of any heavily ar-

nored vessel in the world. signed by any nation are immediately afbeen let under contract by the Navy Department in the last month—the other two are provided for by the current naval appropriation bill—to cost altogether, when commissioned in fighting trim, about \$50,000,000.

missioned in nghting trim, about \$60,5359,000.

The battery decided upon for the new warships consists of four 12-inch, four 8-inch and 16 6-inch guns, which surpasses anything hitherto proposed for a sing's ship' in any navy. The 8's and 12's are superimposed, and there are eight 6's in each broadside. The remarkable and absolutely homogeneous battery of 6's is rapid fire. It is the new pattern naval 6 and its 100-pound projectile leaves the muzzle with a velocity of 3000 feet a second, instead of 2000 feet, the best obtained by its predecessors.

Will Pierce Any Armor.

NIAGARA FRONTIER RATES Passenger Agents Left Arrangements for the Pan-American to a Committee.

Montreal, Jan. 30.-(Special.)-At the eeting of the Niagara Frontier Passenger Agents to-day it was decided that the Pan-Agents to-day it was decided to a transfer and American Exhibition rate should be left to a committee, to meet in New York nex month. Mr. Thomas Henry of the R. & O. was elected chairman and Mr. George C. Wells of the C.P.R. permanent secretary.

OLD MAN KILLED HIMSELF. Teamster Named Robert Gray, Aged 70, Took His Own Life.

London, Ont., Jan. 30.-Robert Gray, deliberately took his own life this morn ing between 11 and 12 o'clock in an enclosed shed, adjoining the barns of the Shedden Cartage Company, in the southern part of the city. The unfortunate man was over 70 years of age, and despondency was the cause of his rash act. He had been in ill-health for over a month. Coroner Ferguson investigated the death and decided an inquest unnecessary.
