DUFFERIN AND BARTLETT SCHOOLS HOLD RE-UNION

Big Crowd, Good Concert and Fine Social Time Mark Union With City-County Notes.

Earls Court, Jan. 6.—(Special.)—Dufferin and Bartlett-avenue public schools were in fête to-night when the informal reunion, presentation of prizes and medals, social entertainment and general good time marked the passing away of township life and the assumption of city rights, privileges and responsibilities.

In short, Dufferin and Bartlett schools, which have hitherto been identified with York township, will be merged next at midnight under the domination of the Toronto Board of Education.

Reeve George H. Henry of York township was by common consent voted to the chair, and seated on the platform were W. F. Maclean, M.P., Rev. Mr. Beattie, Rev. Mr. Mutch, Public School Trustees W. A. Robinson, Fred Miller, W. A. Carter, and others.

The large and excellently appointed schoolroom of the Dovercourt Presbyterian church was kindly loaned for the occasion and was thronged to the doors with a happy and prosperous gathering indicative of the thrift and progress of the northwestern portion of the city.

The medals, four in number, are given for general excellence, and a striking feature of the fact that four points only divided the four winners.

Two of these medals were this year won by pupils from Bartlett-avenue school, Austin Caroline and Miss Mary Kiss; from Tomdorn school one, Master Jones, and from Fairbank school one, Miss Edith Thompson.

John Wanless, Jr., on behalf of the school board, handed out the prizes to those meriting them and incidentally it may be said that few of the pupils could make a more creditable showing.

Principal Maclean of Dufferin and some of the rest of the teaching staff were kindly remembered and altogether the event was one which will long linger in the hearts of the parents and children present.

The ladies of the school district with their well-known thoughtfulness provided at the close coffee and cake to the big gathering.

Fred Miller, W. A. Robinson and W. A. Carter, the trustees, were unemphatic in their efforts to make everybody feel at home.

The team belonging to Jerry Nelson, and which was at the time thought to have been stolen from the sheds of the Heydon House in West Toronto on New Year's Day, has been recovered at the farm of Mr. Pratt, a little north of Fairbank.

The annual meeting of the library will be held in Hillcrest school on Monday, Jan. 10, commencing at 8 p.m.

WEST TORONTO, Jan. 6.—A meeting was held to-night by the citizens of West Toronto at the Y.M.C.A. Hall to see if some measure cannot be taken to keep the building open.

It was pointed out that if sufficient funds could be raised the building might be kept open, and for this purpose a collecting fund was organized.
