Dear Sirs,

I am Mrs William Phillips Living at
at Roosville, daughter of Seymour an Indian & born
on the Reserve.

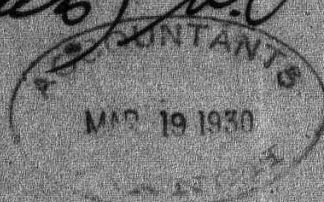

What I want to know is. Why Dont I
get some money from the sale of the timber that
was cut on our Reserve.

There have been three payments made
so far, two of 15 & one of 30 dollars & so far I
have received none.

Please tell me if there is any reason
why I should not get my share of proceeds of the
Timber sale.

Yours truly,

X
