

LITTLE BEGINNINGS.

The steam which raised the lid off the kettle led a philosophic mind to utilize it for man's benefit. No one dreamed that we should now be dragged along by it at the rate of sixty miles an hour. When Perry Davis made a preparation for the medicinal use of his family forty-seven years ago, neither he nor any man imagined that it would now be sold in every land, and prove to be the Pain Killer of the world.

PLEASE CONSIDER THIS.

PERRY DAVIS' PAIN KILLER acts with *wonderful rapidity* and *never fails*, when taken at the commencement of an attack, to cure CHOLERA, CHOLERA MORBUS, as well as all summer complaints of a similar nature, and often cures after every other remedy has failed. If you reside in a country place far from a physician, the Pain Killer can be relied upon - it never fails.

FOR SUDDEN COLDS, SORE THROAT, &c.

The proverb "A stitch in time saves nine," is never so well illustrated as in the treatment of these complaints. A teaspoonful of Pain Killer taken at the beginning of an attack will prove an almost never-failing cure and save much suffering.

TOOTHACHE, BURNS, SCALDS, CUTS, BRUISES, &c.

The Pain Killer will be found a willing physician, ready and able to relieve your suffering without delay, and at a very insignificant cost.

GOOD FOR MAN AND BEAST.

For Colic, Cramps and Dysentery in horses, the Pain Killer has no equal, and it has never been known to fail to effect a cure in a single instance. It is used in some of the largest livery stables and horse infirmaries in the world. To resuscitate young lambs or other stock chilled and dying from cold, a little Pain Killer mixed with milk will restore them to health very quickly.

The Pain Killer is for sale by Druggists, Apothecaries, Grocers and Medicine Dealers throughout the world.

Price 25c per Bottle. Beware of Counterfeits and Imitations.
