Earl Grey Eulogizes Work of Empire Loyalists

(Montreal Gazette.)

London, Oct. 18.—The Canada Club dinner attracted widespread attention on account of the unexpected presence of Rt. Hon. A. J. Balfour, Sir William Robertson and Rt. Hon. Bonar Law.

Mr. Balfour emphasized the fact that all the empire's military efforts would be futile without naval supremacy.

The Marquis of Lansdowne, who was absent through illness, wrote expressing his unalterable affection for Canada.

Sir William Robertson, in a soldierly speech, said that the war has made the empire understand itself, and he eulogized the work of the Canadian soldiers.

Over 40,000 in United States Said to be Eager to Aid Venizelos

New York, Oct. 23.—Petros F. Tatinis, founder of the Greek National Herald, and of the recently organized Greek National Defense Committee,

says that within the next three months between 40,000 and 45,000 Greeks will sail from America to fight in the armies of the provisional president, M. Venizelos.

Mr. Tatinis asserts that 90 per cent of the 400,000 Greeks in the United States are heart and soul with Venizelos; he said, "His greatest power exists in the Peloponnese, the Greek islands, and in Macedonia.

"The army of Venizelos consists of 75,000 trained soldiers under the leadership of Admiral Coundouris and General Draglis, heroes of the late Balkan war."

MANTOULIN FARMERS PLAN "DRIVE" ON WILD ANIMALS

Gore Bay, Oct. 23.—For some time the bears and wolves have been killing sheep on the western end of Mantoulin Island.

Some farmers have lost sheep valued as high as \$75 in one season, and cattle have been killed to death in some cases.

The animals are increasing in number and they are now so numerous that many of the farmers say that they cannot afford to take the chance of losing their best lambs and young cattle and may go out of business.

C. J. Campbell, of Burpee, has been talking the matter over with his neighbors, and they have devised a scheme to exterminate the bears, wolves and foxes.

They propose to assemble about 300 men armed with horns, whistles and rifles.

Leaving Mills Township, with the men scattered across the island from the north to the south shore, they are to march westward jangling their horns and whistles, and making all the noise they can, until they reach the peninsula at Missisaga, where the bears will all be shot.

The farmers plan to cover the ground in about three days, camping at night and building fires all along the line to prevent the animals from getting back past them.

If the plan works out as expected the hunters will make money out of it, as the hides obtained would be worth considerable money.

IN FIVE MINUTES NO SICK STOMACH, INDIGESTION, GAS

"Pape's Diapepsin" is the quickest and surest stomach relief.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of distension, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves, soon, out-of-order stomachs or indigestion in five minutes.

"Pape's Diapepsin" is harmless; tastes like candy, though for each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gas, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.
