Women's Council Interested in Stand of Candidates on Mother's Question.

In an interview Mrs. E. A. Young said that the members of the New Brunswick Council of Women were much interested in the attitude of candidates for the Legislature on the question of mothers' allowances.

The Government, she said, had made a survey, but the report had not yet been dealt with by the Legislature, and the members of the Council of Women were hopeful that the members of the new House would favor legislation based on the result of the survey. Mrs. Young added that she had much valuable data on the subject which she would be glad to give to any enquirer.

C. H. TOWNSHEND PIANO CO.

PIANOS, FURNITURE, MUSIC

"A YEAR AGO two friends and myself stayed nine weeks prospecting in an isolated, arid region—living on the crude supplies the country afforded—and hope. My stomach was weak from abuse. "My bonanza was a coarse, irritated skin—a breaking-out all over my body. I used a horde of 'positive cures,' and then, discouraged, tried Fleischmann's Yeast. In two months I was as I am today. My skin was better than 'back to normal' and I was ready for every 'let's go'!"

Vital, joyous, certain once more of their power, thousands have found the way to glorious health through one simple food.

"FOUR YEARS AGO I was all run down from nervous strain and constipation. I had no vitality; was barely able to drag myself around. Then I began to take Fleischmann's Yeast. Since that time I have been growing better and stronger. During these past four years I have done my ordinary work as an office auditor. In addition I have written manuscripts totaling 750,000 words, have held constant official position in three organizations."

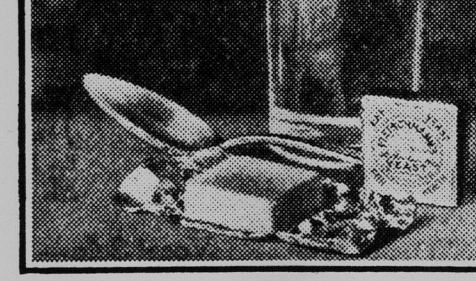

NOT a "cure-all," not a medicine in any sense—Fleischmann's Yeast is simply a remarkable fresh food.

The millions of tiny active yeast plants in every cake invigorate the whole system. They aid digestion—clear the skin—banish the poisons of constipation. Where cathartics give only temporary relief, yeast strengthens the intestinal muscles and makes them healthy and active. And day by day it releases new stores of energy.

Eat two or three cakes regularly every day before meals: on crackers—in fruit juices or milk—or just plain. For constipation especially, dissolve one cake in hot water (not scalding) before breakfast and at bedtime. Buy several cakes at a time—they will keep fresh in a cool dry place for two or three days. All grocers have Fleischmann's Yeast. Start eating it today!

And let us send you a free copy of our latest booklet on Yeast for Health. Health Research Dept., 434, The Fleischmann Company, 208 Simcoe St., Toronto, Ont.

FLEISCHMANN'S YEAST IS MADE IN CANADA

THIS FAMOUS FOOD tones up the entire system—banishes constipation, skin troubles, stomach disorders. Start eating it today!

"FOR SIX YEARS I was ailing, nervous and depressed, interested in nothing, accomplishing nothing, rarely for twenty-four consecutive hours free from pain—all caused I know now by intestinal putrefaction. At last I began eating Fleischmann's Yeast, three cakes daily. Relief from constipation and pain followed. I continued to take it as a tonic and food, regaining strength and energy and the long-discontinued compliments on my complexion. Today I am vigorously well—graise be to Fleischmann's Yeast."

Kate D. Meares, College Place, S. C.

"FOUR YEARS AGO I was physically 'all in.' I was greatly troubled with indigestion and constipation—a general nervous wreck. I started to eat three cakes of Fleischmann's Yeast a day. Gradually I began to feel better, until today am in 'top notch shape.' This year I have been driving a big 5 ton truck for the Express Co. And I am still doing a good day's work, along with men young enough to be my sons."
