ST. PETER'S Y. M. A. HAVE
TRIP ACROSS CANADA

A delightful one-hour journey across the broad Dominion of Canada was taken yesterday afternoon by a large number of members of the Y. M. A. of St. Peter's, North End, the means of conveyance being an interesting stereopticon lecture, given by William J. Shea, principal of St. Peter's Boys' School on the subject of "Picturesque Canada." His hearers were started from British Columbia, where the cities of Victoria and Vancouver were shown, and then the scenes changed to the innermost heart of the famous Rockies, where the gorges, mountain peaks and rivers were presented in their appealing beauty. Thence eastward and across the prairies of Alberta, Saskatchewan and Manitoba, the various stages of the wheat-raising industry as well as cattle-ranching were seen, and hasty glances given into the busy commercial centres of the Calgary and Winnipeg, termed by some the "Chicago of Canada."

The journey through Ontario was attractive, the scenery along the great lakes, as well as the glimpses of Ottawa, presented, being very entertaining. Historic Quebec was next visited, and a brief stay was made at the shrine of St. Anne de Beaupre, Montreal, and in other centres of attraction, until the finish of the return trip was made at the winterport of Canada, St. John, where home scenes were presented.

The lecture was the third in the winter series, and proved decidedly interesting and educational. The audience thoroughly enjoyed the lucid descriptions given, as well as the illustrations, and at the close, on behalf of those assembled, T. C. Olive moved a hearty vote of thanks, which was seconded by B. J. McGovern, and tendered the speaker by the chairman, J. B. Dever.

DEAD IN ROOM;
BULLET IN HEAD

Fatal Shooting on Sunday at Cork Settlement—Daniel Driscoll Was Cleaning Gun

The people living at Cork Settlement, and in the neighboring villages, were grieved yesterday afternoon to hear of a fatal shooting accident in which a popular young man of that place, Daniel Driscoll, lost his life by the discharge of a gun which he had been cleaning. He had been shooting in the woods on Saturday with one of his brothers, and it is thought that he had not cleaned his gun when he returned, intending to do it yesterday.

After dinner he shaved himself, and a little later went to his room. The family were startled a few minutes afterwards at hearing the report of a gun, and on rushing to the room they found him lying on the floor, with blood rushing from a bullet wound in his head. His gun lay nearby.

He died in a few minutes. He was twenty-three years of age, and was well liked by the people living in the neighborhood. His mother survives, as well as two brothers and two sisters.

MONEY STOLEN FROM
H. C. OLIVE IS AS
STRANGELY RETURNED

Pocket Book and \$400 Put in Vestibule of His Home, Bell Rung and That Was All

The pocketbook, containing \$400 in bills and checks which was taken from the pocket of H. C. Olive at Black's Bowling Alley on Saturday afternoon, was returned to the owner last night as mysteriously as it was taken. The money was taken while Mr. Olive was bowling on the alley. His coat was hanging up and when he went to look for the money it was gone. With the assistance of Messrs. Black and T. H. Wilson and H. Holmes, an investigation was immediately undertaken and apparently the guilty one began to fear the results of his act.

Last night about a quarter to eight o'clock the door bell of Mr. Olive's home at 408 Main street was rung and Mrs. Olive went to the door. There was nobody at the door, but to her great surprise she found the pocketbook and money stuffed through the letter box. It is believed that the guilty person had evidently become frightened and found this was the better way to get out of the matter. Deputy Chief Jenkins and Detective Killen were valuable assistants in the search for the money.

WILL BE FINE LOCATION
FOR THE BRITISH BANK

Purchase of Melick Property at Market Square and Dock Street by Bank of B. N. A.

In purchasing the Melick Building in Market Square, at the corner of Dock Street, the Bank of British North America has secured a very desirable location for carrying on its St. John business. Comment in the streets today extends congratulations to the bank at the central and convenient situation which the new site will afford.

The purchase was made on Saturday by F. R. Taylor, acting for the bank, from Arthur Melick. The bank will be in possession on May 1 next. The price is not made public.

A. P. Hasen, manager of the bank, said it is the intention to make the property the bank's St. John headquarters. On getting possession some time will be occupied in making the building over to suit the bank's needs. The corner will lend itself to a thoroughly modern bank building in a location that will be more convenient than the present site on Chipman's Hill. The bank's patrons will appreciate the change.

Messrs. Wilcox are at present tenants in the Melick building.

KING STREET
COR. GERMAINGREATER OAK HALL
SCOVIL BROS. LIMITED, St. John, N. B.

DEAR SIR:

Whatever the price may be that you have mentally decided to pay for your Winter Overcoat, just come to me and I will give you a coat that will be worth more than that price, but will cost you less!

I can do this because I do not have to pay the extravagant rentals demanded up-town. Then, my whole scheme of expense is less than the merchants up-town. I save in a hundred ways and instead of putting those savings altogether into my own pocket, I give them to my customers. The result is that my trade is increasing more rapidly than in any other store in New Brunswick.

"Birds always flock where the best food lies." You have seen these canny feathered creatures surrounding some spot in a multitude and perhaps have wondered why. The answer is the same as in the case of my store. People flock in a swarm here because here they get the biggest values for their money—their precious, hard earned money. They are willing to go just a little out of their way to save this money.

This big trade—constant and certain—enables me to buy in big quantities and consequently at cheaper prices. Therefore, the assortment of goods is the largest and best to be found in the city of Saint John. One visit will convince you of the truth of these statements and then you will never buy anywhere else. Come and look my store over. It will pay you well.
