

# YOUR VOTE ON TUESDAY

will be a helping hand to the over-worked clerk and a blow to merchants who want to continue the 13-hour day

## NOW HERE'S THE THING IN A NUTSHELL

By St. John's new charter all citizens are entitled to the referendum on vital questions such as this one.

Town-planning not only applies to the laying out of streets but also to the planning of the people's welfare.

The barbarous days of open shops until 9 and 10 o'clock every night in the week have long since passed into history in most progressive cities.

To work from 8 o'clock in the morning until 9 and 10 at night harks back to a condition entirely out of tune with present day civilization.

Now is the time for St. John's fair-minded citizenship to lend a helping hand to the day-and-night worker and rout out the grasping grinding store-keeper.

Don't let the un-progressives make St. John a country town!

## SUPPORT THE EARLY CLOSING LAW

### MORNING LOCALS

A meeting of those opposed to the proposed early closing law was held last evening in D. Monahan's store, Charlotte street, when plans for Tuesday next, when the vote will be taken, were discussed. Another meeting will be held on Monday evening at 32 Charlotte street.

A delegation of auto truck owners waited on the city commissioners yesterday afternoon to discuss the proposed legislation to prohibit the use of motor trucks on the Grand Point wharves. The objection is on account of the weight and also on account of danger of fire. It was suggested yesterday that the vehicles be allowed to approach the wharves between Nos. 2 and 8 sheds and that goods could be trucked to and from this point.

Louis Hogan, eight year old son of William L. Logan, of Brunswick street, was run over by W. C. Allison's automobile in Brunswick street last evening, but escaped with only minor injuries. For a time he was unconscious, but soon recovered and was taken home.

The annual dinner and reunion of the Alumni Association of Pine Hill College was held in St. Andrew's hall, Pictou, on Thursday night last. Rev. Gordon Dickie of this city, presided, and there were about 200 present.

At a meeting of the Slaughter House Commission yesterday the report of the veterinary showed that 278 cattle, 1089 sheep and thirty-one calves had been killed in the month.

A kerosene lamp accidentally upset from a table by James Alexander, of Courtney street, was the cause of a good deal of excitement there last evening. An alarm clock took the chemical engine to the scene but the blaze was extinguished before the engine arrived.

St. Rose's hall, Fairville, was packed last night, when a very efficient amateur company presented the western drama, *Pride of the Rockies*, under the auspices of the St. Rose's Dramatic Club. The play is a thrilling one. Between the acts specialties were introduced, which took well with the audience. The proceeds of the entertainment are to be used for charitable purposes.

### MORNING NEWS OVER THE WIRES

The security of men in western wheat fields has resulted in at least one of the jails being opened and twelve men serving time for minor offences being liberated to work in the fields. This was near Winnipeg.

Bathurst, N. B., Oct. 4.—J. J. Harrington, clerk of the peace, was sworn in today as collector of taxes for this port, in place of D. J. Hesley, dismissed.

## GRIP & COLDS

Catching Cold and Curing it

An eminent physician says: "When you feel a strong draught blowing on your bald head, rub it hard; that brings the blood back, and prevents taking cold."

Later on sneezing is followed by a congestion of the face, that is nature's way of bringing the blood back. When you feel you are taking cold, bend the body forward, as in picking up a pin, strain gently till the face is red, and exercise until the chilly feeling disappears."

These exercises may serve in time, but the short cut to restore the checked circulation is a dose of Dr. Humphrey's "Seventy-seven," it starts the blood coursing through the veins and breaks up the Cold. Druggists 25c. Book free.

### MARRIED IN THE MAKING

Have you ever noticed that half the troubles of young housewives are of their own making? She will take the little bit of cold roast beef or mutton, hash it, mince it, stew it, spend as much as two hours in turning it into a tough, colorless, over-salted or over-peppered dish. She is anxious all the time she is cooking it, most anxious of all, as the husband, upon whom she has wasted all her endeavors, tries to make light of the failure, and bites his tongue in an attempt to repress the wrath that she had left the meat cold, and merely set it on a clean dish, with a sprig or two of parsley as a garnish, and a bottle of H. P. Sauce as a relish.

But young housewives are learning wisdom, hundreds and thousands of them. H. P. Sauce sells in bigger and bigger quantities every week. Cold meat is coming back to its honored place in the home, but little family—and not only so, but the housewives have discovered that when the joint can no longer be served cold, H. P. takes all the responsibility of flavoring off the shoulders of the inexperienced cook.

H. P. is a rich, thick sauce, not hot, but pungent and fruity flavored; it is made of the choicest tropical fruits and spices and pure malt vinegar.

When you must hash, or mince, or stew, just use a different sauce, a different flavor, brought to the dish by the addition of a teaspoonful of this delicious sauce, but be sure it is H. P.

### PARTED FORTY YEARS; THEY MEET AND MARRY

New York, Oct. 5.—An accidental meeting after a separation of forty years brought about by a lovers' quarrel resulted in the love between Mark H. Woodruff, aged sixty-four, of No. 53 Harrison avenue, Williamsburg, and Mrs. Mary E. Jones, seventy-two years old, and this week they were married by Rev. Ulysses Grant Warren, the pastor of the United Congregational Church, in the home in Williamsburg. A wedding feast followed, and then the reunited couple started for the south where they will spend their honeymoon.

Woodruff was a native of Kalamazoo, Mich., in the early part of 1872, when he first met Mrs. Jones, a native of Albion, Ill. He was single then and pretty. They fell in love and became engaged. A quarrel caused a separation, and Mrs. Jones went to Hastings, Mich., while Woodruff came east. Both were married twice, and each lost their partners by death.

Recently Mrs. Jones went to Williamsburg to visit friends. Walking near the Williamsburg Bridge plaza she accidentally came face to face with her first sweet heart. There was a quick reconciliation, the old love rekindled, and they decided to be married. A marriage license was at once obtained, and the nuptials took place in the presence of a dozen of their friends.

### CALL TO GREEKS IN CANADA

The Greek consul at Montreal has received a communication from the Grecian government instructing him to take the necessary steps to inform all Greeks throughout Canada that they would be expected to return home at once to fight for their fatherland.

The Greeks in this city have not yet received any official notice to this effect, and some of them are not inclined to believe that all will be summoned. It was expected that, in the event of a call being made, it would be at first only for those who had completed their naval or military training within the last few years.

### Runaway Wives and Husbands

Officer John Collins, of the I. C. R., has a problem which is giving him some difficulty. He is trying to figure out whether St. John is getting worse or coming up to date. During the last week he has had seven inquiries about runaway wives and husbands. Four women have applied to him for assistance in locating the men whose names they bear, and three men have been looking for their wives. So far he has heard of only one of those reported missing, returning. Officer Collins said yesterday that never in his experience had he heard of so many married people becoming separated, and he has had a lot of experience as a policeman.

### TWO FATALITIES IN PROVINCE YESTERDAY

A fatality occurred yesterday at Petticoe when Miss Rita Perry, a school teacher, aged twenty-four years, was instantly killed by being struck by the Boston train from Moncton. She had been in Moncton attending the teachers' institute and had to cross the track at Petticoe to catch the Havellok train. She did not see the approaching train, as she was trying to keep out of the way of a freight train on the other side. She was a daughter of Jesse Perry and had been teaching school at Debon's corner. Besides her parents four brothers survive.

Lafron W. Corey, of Havellok, was crushed to death in his grist mill there yesterday. While making repairs his clothing caught in the machinery and he was crushed to death. He was fifty-five years of age and a son of Rev. William T. Corey.

### WHISKY HOLDS ITS VICTIMS

Until Released by Wonderful Samaria Prescription

Liquor sets up inflammation and irritation of the stomach and weakens the nerves. The steady or periodical (epree) drinker is often forced to drink even against his will by his unnatural physical condition. Prescription stops the craving, steadies the nerves, builds up the general health and makes drink actually distasteful and nauseous. It is fastidious and odorless and can be given with or without the knowledge of the patient.

Thousands of Canadian homes have been saved from misery and disgrace by some devoted wife, mother or daughter through this wonderful Canadian remedy. The money formerly wasted in drink has been restored happiness, home comfort, education and respect to the families formerly in want and despair.

Read the following, one of the numerous unsolicited testimonials received: "I can never repay you for your remedy. It is worth more than life to me. My husband has been offered liquor several times, but would not touch it. He said he had no charm for him now. May God's choice blessings ever rest on you and yours as my prayers ever have. No one knows it but those who have tried it. As soon as I can I will see others that I know would give anything to stop their husbands from drink. I will give them your address."

Mrs. K. Dewinton, Alta. (Name withheld on request.) Now, if you know of any family needing this remedy, tell them about it. If you have a friend or relative who has formed or is forming the drink habit, help him to release himself from its awful clutches. Samaria Prescription is used by physicians and hospitals.

A FREE TRIAL PACKAGE of Samaria Prescription with booklet, giving full particulars, testimonials, price, etc., will be sent absolutely free and postpaid in plain sealed package to anyone asking for it and mentioning this paper. Correspondence secretly confidential. Write today. The Samaria Remedy Co., Dept. 29, 48 Colborne street, Toronto, Canada; also for sale at Watson's—100 King street.

### More Elevators for Montreal

(Montreal Gazette.) That the port of Montreal will have elevator capacity capable of storing and handling six million bushels of grain of the crop of 1913, and that what has been spent for the development of the port and its facilities is only a drop in the bucket to what will be spent to make it fully capable of handling the immense amount of future business the continually growing prosperity of Canada is going to send to it, were two statements made by Hon. J. D. Hazen, K. C., minister of marine and fisheries, yesterday afternoon at luncheon given for the purpose of inaugurating Elevator No. 2, the largest concrete grain elevator in the world.

Speaking of sweet music, there is the sound of an exploding automobile tire as heard by a pedestrian who is never invited to take a ride—Aitchison Globe.

## SHE FAINTED WITH THE AGONY

"Fruit-a-tives" Cured Her Kidneys

Mountain, Ont., Dec. 14th, 1910. "I desire to let the world know the great debt I owe 'Fruit-a-tives' which saved my life when I had given up hope of ever being well again. For six years I suffered from dreadful Kidney Disease. My legs and lower part of my body were feebly swollen. The pain in my side and legs would be so bad that I would faint with the agony. Five different doctors attended me and all said it was Kidney Disease and gave me no hope of getting well. A kind neighbor visited me and mentioned the case of Mrs. Fenwick who had been cured of a sickness like mine. I took 'Fruit-a-tives' and in a short time I began to feel better—the swelling went down—the pains were easier—and soon I was well. I have gained over thirty pounds since taking 'Fruit-a-tives'—and my friends look upon my recovery as a miracle." (MISS) MAGGIE JANNACK. "Fruit-a-tives" are sold by all dealers at 20c. a box, 6 for \$2.50, trial size, 25c.—or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

### QUEEN SQUARE ANNIVERSARY

The 124th anniversary of the founding of the Queen Square Methodist church will be celebrated by the congregation tomorrow when there will be special services and music. Rev. Wilfred Gaste, the pastor, will preach. The soloists of the day will be Mrs. F. A. Goddard, Wm. Ransbury and Lloyd Baxter. Tomorrow afternoon at 2:30 o'clock a special meeting of the Sunday school class will be addressed by Rev. M. F. McKeown and special music will be rendered. The celebration of the event will be prolonged during the remainder of the week. Special service will be conducted by the Epworth League on Monday evening and on Tuesday evening there will be a grand congregational reunion, when a musical and literary programme will be carried out. Queen Square Methodist church was founded in 1791, and during the celebration a history of the church will be read.

Film—"Hallo, dear boy, you look very sad this morning. What's the trouble?" Flam—"I've just undergone a most annoying operation." Film—"What was it?" Flam—"I had my allowance cut off."

## STOP IT!

### Don't Save Your Hair in a Casket

## KEEP IT ON YOUR HEAD With HERPICIDE

To be sure, you can have the combings converted into switches, puffs, etc., but why have any combings?

False hair never looks as good as one's own growing solidly on the head it adorns.

False hair, no matter how carefully arranged can never possess the life, lustre and luxuriance of natural hair receiving proper, intelligent care.

Throw away your hair receiver and make up your mind to keep your hair on your head. Make it so beautiful by the use of NEWBRO'S HERPICIDE that it will increase your personal charm and attractiveness and cease to be a source of anxiety and a very doubtful asset.

HERPICIDE kills the dandruff germ which is the cause of most hair troubles and prevents the hair from falling and coming out. It makes the hair soft and fluffy and gives it a sheen and shimmer indicative of a clean and healthy scalp.

The delightful and exquisite odor of HERPICIDE, the Original Dandruff Germ Destroyer, appeals to persons of refinement and discrimination. As a hair dressing, HERPICIDE has no equal. It stops itching almost instantly.
