

RUSSELL SEEKS  
TO STRENGTHEN  
BOSTON "HEPS"

Boston, July 27.—Now that President Russell has purchased the Pages' interest in the Boston Nationals, he is busy trying to strengthen the team at once. Mr. Russell said this morning that he had his eyes on a new third baseman and center fielder and was now trying to get them, but refuses to divulge who the men are until the matter takes more definite form. It is Mr. Russell's idea to put Ingersoll in left field again, the new man in center and keep Miller in right. The other new man will go to third base, Spratt being kept as a utility man, playing short until Ingersoll is in shape to play.

After the money had been paid over for Pages' stock Monday, a meeting of the directors was held and the resignation of the Pages accepted. Peter F. Kelley was elected a director to succeed Mr. Page.

Following the completion of the trade it was announced that Mr. Russell had entered into an agreement with J. J. Gleason of San Francisco and New York, whereby the latter will buy a substantial minority interest in the club and take an active part in its management, becoming vice-president. It is also announced that Treasurer F. J. Murphy will increase his holdings in the club.

Mr. Russell is much pleased over the fact that Mr. Gleason is to take hold of the club. Mr. Russell will continue to hold about two-thirds of the stock. He believes that Mr. Gleason is a practical baseball man, and that he now has a man whom he can depend upon to handle the team satisfactorily while he is in New York attending to his law business.

Both Mr. Russell and Mr. Gleason have announced that they will put their best effort into building up the club and giving the city a high grade of baseball. They have also announced that they will not consider any trade for their stock in the near future.

ENORMOUS INCREASE  
IN CANADA'S TRADE

Ottawa, July 26.—For the first quarter of the present fiscal year Canada's total trade was \$180,880,488, an increase of \$9,057,788 as compared with April, May and June of last year.

The increase was entirely in imports which totalled \$121,333,384, or nearly \$12,000,000 more than for the corresponding period of last year.

Exports of domestic products aggregated \$59,547,104, a falling off of nearly \$3,000,000, of which \$2,000,000 was in exports of forest products.

The trade for June totalled \$98,710,309, an increase of \$2,638,445.

Imports for the month totalled \$42,906,831, an increase of a little over \$3,000,000.

Customs revenue for the three months was \$18,929,788, an increase of \$3,359,347.

THE YOUNGEST BISHOP.

The youngest bishop in the British empire was consecrated at St. John's, N.B., Tuesday, when Archbishop Stagni, aged eighty-four, consecrated in the St. John's cathedral, Father Michael Power, the parish priest, of St. George's, West Newfoundland, as Bishop of St. George's, West Newfoundland.

Bishop Power is a native of St. John's, and is only thirty-four years old.

Archbishop Stagni arrived there last Friday and has received an unique series of demonstrations of welcome since he landed.

AUSTRALIAN WINS  
BRITISH TENNIS  
CHAMPIONSHIPSLondon, July 27.—The most striking feature of this year's British lawn tennis championships meeting at Wimbledon was its length. Owing to the large entry it lasted two days longer than had been anticipated, although there was but one wet afternoon. The meeting was excellently supported throughout, and each of the days saw a good attendance watching the chief matches, of which there was no scarcity.

The following is a list of the winners of the chief events:

Men's singles—A. F. Wilding.

Men's doubles—M. Deane and A. H. Gobert.

Ladies' singles—Mrs. L. Chambers.

Mixed doubles—T. M. Magrovordario and Mrs. Parton.

All-England plate—A. H. Lowe.

A. F. Wilding, of Australia, met H. Roper Barrett in the challenge round of the singles, and after a fine game in which the score reached two games all, Barrett retired and Wilding became champion for the second year in succession. The competition for the singles was productive of some very fine and interesting play. The veteran A. W. Gore showed splendid form, but fell to the Frenchman, Max Decugis, a young player with a great variety of strokes. Others who did well were Dixon, Heath, Beaman and Rabe. Roper Barrett, who reached the challenge round, played very skillful tennis throughout, but for the second time in his career just failed to reach the blue riband of English lawn tennis.

A very popular victory was that of the two Frenchmen, Decugis and Gobert, in the doubles. They met A. F. Wilding and M. J. G. Ritchie in the challenge round and defeated them by three sets to two. Gobert added distinction to his name once more, and for the second time within the short period of two months. In his France has a very brilliant representative.

Margrovordario and Mrs. Parton occasioned some surprise by defeating the Australian S. N. Doubt and Mrs. Lambert Chambers in the mixed doubles, and A. H. Lowe defeated C. C. Pickle, Irish champion in the all-England plate. The large attendance throughout the meeting makes it evident that lawn tennis is still as popular as ever.

OWN A VOLCANO THAT  
REFINES OWN SULPHURWashington, July 26.—Bongo, a volcano, in Japan, is refining the United States out of duties on raw sulphur every day in the year.

Customs officials, after a long wrestle with Bongo, have decided they cannot do anything about it. Raw sulphur, as most everyone knows, comes from the crater of Bongo. It is free of duty. Refined sulphur pays a tax. But Bongo's crater is so hot that it refines the sulphur as it makes it.

These shrewd gentlemen who own Bongo readily refuse to pay duty on the sulphur and the Treasury department knows of no way to make them do so.

BARNES-NORTHROP.

A very pretty wedding took place last evening when Ephraim Barnes, son of Jesse Barnes of Queens county, was united in marriage to Margaret N. Northrop. The ceremony was performed by Rev. B. H. Noble at the Victoria street parsonage. Miss Jennie Northrop was bridesmaid. Mr. Harley Knox acted as best man.

Today's Games.

At Fredericton—Fredericton vs. Marathons (exhibition game).

There were more than 2,000 spectators on the Marathons grounds yesterday afternoon to see the Marathons defeat the Calais team by a score of 7 to 1. By this win the Marathons take the lead in the league race from Calais.

The St. John team played a very steady game throughout and this, with their timely hitting, and errors made by the visitors, along with the excellent pitching of Tarbell, the Marathons' Indian pitcher, gave them the game. Tarbell was in excellent form and struck out no less than eleven Calais players, while only six hits were made off his delivery. O'Neil pitched the first five innings for Calais. He was found for seven hits and gave three bases on balls; these, with five errors, gave the Marathons their seven runs.

The only score made by Calais was in the fourth inning, when they made two singles and a two-bagger, being three of the six hits made off Tarbell's pitching.

Marathons Have Signed Harrington.

The following changes have been announced in the New Brunswick and Maine League schedule. The game to have been played here today between the St. John's and St. Stephen has been postponed to Friday, and Saturday the St. John's play Calais here.

The game scheduled between the Marathons and Fredericton at the capital today will be an exhibition game only. The regular game being postponed to Saturday, the Greeks playing Woodstock on Friday and returning to Fredericton. The reason for the change in the Fredericton game is for the reason that the rules call for a nine-inning game and the Fredericton management are desirous of playing an evening game that the horses may attend.

The Marathons have signed another pitcher. He is Joseph Harrington, a brother of Frank Harrington, who pitched for St. Peter's last year and whom the Greeks tried to get in the early season. Joseph Harrington has been with Detroit. He will join the team at Fredericton. Jimmy Rootes has been given a steady job on the Marathons coaching staff and has accordingly thrown up his regular job and will devote his entire time to ball. Captain George Winter has expressed the opinion that Rootes is all to the good. With Harrington and Rootes added to the team the Greeks will have six pitchers—Sweet, Winter, Tarbell, Upham, Harrington and Rootes and three catchers—Connelly, Nelson and Rootes.

It has been decided to increase the admission fees as the management claim that expenses are so heavy that this has to be done.

## Do You Feel This Way?

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor appetite, and lay awake at nights unable to sleep? Are your nerves all gone, and your stomach too? Have ambition to forge ahead in the world but you can't? If so, you might as well put a stop to your misery. You can do it if you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your lazy liver to work. It will set your sluggish stomach, and your aching muscles, to work. It will purify your blood. If there is any tendency in your family toward consumption, it will keep that deadly destroyer away. Even after consumption has almost gained a foothold in the form of a cough, or phthisis, or bleeding at the lungs, it will bring about a cure in 90 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose address is given free to all who wish to write him. His great success has come from his wide experience and varied practice. Don't be wheedled by a penny-drugging dealer into taking inferior substitutes for Dr. Pierce's medicines, recommended to be "just as good." Dr. Pierce's medicines are of known composition. Their every ingredient is printed on their wrapper. Made from roots without alcohol. Contain no habit-forming drugs. World's Dispensary Medical Association, Buffalo, N. Y.
