Mabel's Dream

"Well, petite, is it to be wine or cafe

looking out over the thousand acres of aroused. waving grain which surrounded the home where he had been born and rear- thing for me to eat?" he demanded. ed, James Burton had rather disdained to win his heart and conquer his pre- been cooking. What is that you are judice, so that the midwinter holidays putting under the stove? You're hiding found him at her side in her city home, it from me, are you? Fetch it out here, holding the hand that bore his ring, this minute."

an I saying, with a smile-"I have been brought up to believe that 'wine is a mocker, and strong drink raging,' but when one is in Rome, you | Harry. Remember he is sick, and has know-and I don't want to bring dis- had nothing to eat since yesterday." credit on my patroness by unconventional singularity, which I believe is the her lips in piteous, pleading tones that greatest crime in your social code. So must have moved anyone not insane leave you to decide-wine or cafe with liquor.

She looked at his strength.

prejudice, should he decline wine on he must sit in the house, feeding on New Year's morning.

morning, and then do as I bid you," saucepan here!" she had gone to her own room to tell approached the grate. cousin Grace what a splendid fellow he

The frosty air seemed to fairly dance with the jingle of the bells. The reception-room was like a hall in

a fairy palace. Every heart leaped with the good cheer of the New Year.

"Wine or cafe noir?" And with her jeweled hand she held

"To the health of our fair hostess! May her beauty never wane !" And for good or ill the wine had passed his lips.

of New Year's calls.

"Gentleman, am I my own master or "But, Burton, you are not fit to go to her now. Come, there's a good feldeath. He is already sick and starving. "No, no; the child will freeze to death. He is already sick and starving." low !-we'll get you to bed, and in the You shall not take him out into the morning you'll be all right again. You | cold—you shall not !" see, you ain't seasoned like us old stagers; but the women don't take that while his father wrenched at his arm, with their effects, such as Sour Stomach into account, and she'll think you're on until the child fainted with fright and

the high road to ruin, and all that." "I promised her that I would go to her the first thing in the morning and the first thing in the morning and the last thing at night, and I never fail in the performance of a promise when

"That's all right as a rule, but New Year's day dont come but once in a twelvemonth, and you can tell her that it was so late when we got through, and you knew she would be too tired to see anything in the pawnshop?"

you, and all that." merest trifle. But Blake, you're making a mountain out of a mole-hill." I clothes to find something that the bring the price of a single drink.

Halloa, driver, pull up!" We'll take that for granted, Burton. give your head a souce in cold water." coal, and set it on the stove.

prove to you that I am not. I shall go into Miss Aberdeen's presence, and she charcoal. will not notice any change in me what-

They had to yield. When before all those present he raised her hand to his lips, and said— to her heart. "Mabel, I s'lute you !"

She blushed scarlet, and then turned It was the first time she had had oc-

casion to blush for him; and for the first time she was stricken with fear for him her child again in this world, never hear Ten years with their changes have

come and gone! We pass from the fashionable thoroughfare down a disreputable street, rickety stairs to an attic.

Through the small dingy panes of glass, where they are not broken and stuffed with rags to keep out the cold, you can see only chimney-tops and roofs covered with snow. In a small, badly-cracked stove, sup-

broken bricks, there are a few coals over a young lady in the full bloom of health which a woman is trying to cook some-and happiness, surrounded by every

They do not give out warmth enough close as possible to the scant heat.

Perhaps it was because she was so wretchedly clad, and so thin and wan. Want and sorrow were stamped on every and James Burton, no wrecked drunklineament of the wasted frame and face. and James Burton, in the state of the wasted frame and face. ard, but her noble James, so strong and
