Hon. Geo. L. Hatheway, died at her
residence, Nashua, on Thursday last.
The telegraphic strike is at an end in
Halifax. The same may be said of the
Maritime Provinces as a whole.
The Grand Lodge I. O. O. F. of the
Maritime Provinces will assemble in Char-
lottetown, Wednesday, 8th August.
The Chicago Post very properly wants
the legal demonstration to Lord Colborne
to be of a Provincial character.

If your children are troubled with
worms, give them Mother Graves' Worm
Exterminator; safe, sure, and effectual.
The New Brunswick Courts have fixed
the following scale of sentences to be
penalty: Manslaughter, four years;
robbery of a market, ten years; robbery
of \$25, fifteen years; passing counterfeit
money, for life.—Post.

The political content being over,
the popular vote of the people is now cast
in favor of Dr. Fowler's Extract of Wild
Strawberry—that matches remedy for
Cholera, Morbus and all Summer Com-
plaints. For sale by J. D. B. Mackenzie,
Chatham, N. B.
The trial of ten Jews at Nijmegen, who
were charged with murdering Esther
Jolymski, a Christian girl in Synagogue
at Taza-Essalar to procure blood to mix
in Passover bread, has been concluded.
A verdict of not guilty was returned.

W. J. Goggin, druggist of Newbury,
writes:—"Dr. Fowler's Wild Strawberry
is just the thing for Summer Sickness. I
have used it many times last summer.
There was a good demand for it."
Dr. Fowler's Extract of Wild Strawberry
is available for Druggists, Apothecaries,
Sole Agents and Retail Dealers. For sale
by J. D. B. Mackenzie, Chatham, N. B.

A new English corset, adapted to bearing
heavy tension or the gaiter, retains the
small corset shape, but has beneath
an arm wide band of elastic, allowing
wonderful freedom of movement to the
body.
Mr. Wm. Boyd Hill, Coleridge, writes:
"Having used Dr. Thomas' Eucalyptic Oil
for some years, I have much pleasure
in testifying to its efficacy in relieving pain
in the back and shoulders. I have also
used it in cases of cramp in children, and
have found it to be all that you claim it
to be."

If you would escape the ravages of that
 scourge, the Summer season, Cholera,
Morbus, keep Dr. Fowler's Extract of
Wild Strawberry at hand for use. In
that and all other forms of Bowel Com-
plaint, it is infallible. Sold by J. D. B.
Mackenzie, Chatham, N. B.
All doubts as to the facts of the gallant
swimmer, Captain Webb, have been dis-
pelled by the finding of his remains near
Lewiston, N. Y. There are several
wounds upon the body, including a severe
scalp wound.
LEADING DRUGGISTS on this continent
testify to the large and constantly in-
creasing sales of Northrop & Lyman's Vege-
table Discovery and Dyspeptic Cure, and
report its beneficial effects upon their
customers troubled with Liver Complaint,
Constipation, Dyspepsia, Impurity of the
Blood, and other physical infirmities, and
as a female medicine, it has accomplished
remarkable cures.

Murphy, the Preston butcher, who has
often challenged Webb, and who had
always contended that Webb would never
succeed in breaking the Niagara whirlpool,
has also met with a death similar to
which overtook the captain. Murphy on
more than one occasion challenged Webb
to dare with him the Peble whirlpool.
Murphy undertook to swim this time,
and on the very day Webb attempted the
Niagara, and was drowned.
Do not delay, if suffering any form
of Bowel Complaint, however mild appear-
ingly, may be the attack, but use Dr. Fowler's
Extract of Wild Strawberry. It is the old
reliable cure for all forms of Summer Com-
plaints that require prompt treatment.
Ask your druggist and all dealers in patent
medicine. Sold by J. D. B. Mackenzie,
Chatham, N. B.

Mr. Henry Marshall, Hoer of Dunn,
writes:—"Some time ago I got a bottle of
Northrop & Lyman's Vegetable Discovery
from Mr. Harrison, and I consider it the
very best medicine extant for Dyspepsia."
This medicine is making marvelous cures
in Liver Complaint, Dyspepsia, etc., in
purifying the blood and restoring man-
hood to full vigor.
Late advices from Naples lead to the
belief that at least four thousand people
lost their lives by the recent earthquake
on the Island of Ischia. The work
of rescuing the injured and recovering the
dead from the ruins went on but slowly
and many died from exhaustion before
they could be reached. Two thousand soldiers
were digging in the ruins, and rescued
over one thousand people alive.
If you are broken down in constitution
and wasting away by sickness, disipation,
too great nervous taxation, or suffering
from any chronic disease, do not abandon
hope until you have tried Burdock Blood
Bitters. What is doing daily towards
restoring others, it might do for you.
For sale by J. D. B. Mackenzie, Chatham,
N. B.

Dry hot weather continues in British
Columbia, and there has been no rain for
two months. Forests are raging
everywhere and the air is filled with
smoke. On Wednesday the heat from the
forest fires ignited the powder in Ouder-
donk's mill near Yale, which blew up
and every mill in the town of Yale was
broken. No one was killed but
several people were badly wounded.
Three hundred and sixty cases of giant
and ten cases of black powder exploded;
the loss is heavy.
The most approved tea gown is made
with a yoke that is cut deep in front and
high on the shoulders; the yoke made of
insertion over silk. The body of the gown
requires four widths of setting or
six of silk, which is gathered closely to
the gore, the lower edge of the skirt fl-
ished by tiny tucks surmounted by a
triple row of silk, or if more fulness is
desired a shirred ruffle with lace border is
added. Sleeves are made of insertion and
satin ribbon to match the body of the
gown, and a broad ribbon of the same
color confines the fulness at the belt.
Little lace caps are worn with these
gowns, the shape most becoming being
the butterfly, which is made of a square
of lace closely drawn up in the centre by
a narrow ribbon, the ends are spread
and fastened to the hair with pearl-headed
pins. Very pretty breakfast jackets are
made of satin, brocade, or flannel.
They are fitted close to the back with
open front turned sharply back. Displaying
a loose blouse shirt-front of lace. They
can be worn with any skirt, and are suited
for any weather or occasion by a variation
of the skirt worn.
