The real reason that the Grand Trunk has closed its workshops and curtailed the number of trains is not the American coal strike, but simply want-of-business. Canadian coal companies have offered to give the railway all the coal it wants. The freight business was even in a more demoralized condition than now, and passenger traffic is not much better. The closing down of the works has thrown hundreds of men idle in Montreal alone. Grand Trunk stock in London touched the lowest point on record.

TREATMENT OF TOOTHACHE.—Toothache is a little thing in the books, but many physicians would rather meet a burglar at the door on a dark night than to be called to cure a bad toothache, especially one of several days continuance. The old time liquid remedies only postpone the evil, and usually the patient is respectfully referred to the dentist. Now to avoid all this trouble keep in the house a bottle of Dent's Toothache Gum, so handy to use, does not spill or dry up. Always ready. It also represents a stout anesthetic, but in good results untold pain and loss of sleep and rest. For sale everywhere by responsible druggists or direct upon receipt of price. E. S. Dent & Co., Detroit, Mich.

The West.—A journal which outlines all the vicissitudes which befall journalistic ventures in this country, and for eleven years more than holds its own, is a paper that must have roots in the soil and good cause in its existence. It is the West has taken root in Canada. It is a real and not an imaginary need. Free from party leanings and possessing the courage of its convictions, The West has ever aimed to promote independence in public life, and honesty and integrity in our legislators. The West is a standing protest against provincialism, representing as it does, by its large number of contributors and correspondents, all parts of the Dominion. In no other Canadian publication can be found the contributions of such prominent writers. The West discusses affairs from the point of view of the nation, and not the province. This fact is abundantly recognized abroad, and the paper is constantly quoted by English and American magazines and reviews as the best exponent of the best thought and life of the Canadian people.

At Washington, on Monday, Coxey, Browne and Jones were sentenced to twenty days in jail for violating the statute of the United States prohibiting a display of partisan banners in the Capitol grounds, and Coxey and Browne were fined \$5 each additional for trespassing on the grass.

His great brother has been for many years a member of the First Elgin Baptist Church. At the time of his death he was being treated for cancer in the hip at the hospital. During the night he passed away apparently as he slept. He is expected to have returned home on the 15th inst. His body was laid in his country, but the Master called him to the better home. A large circle of friends will miss him at the old homestead, among whom are the surviving widow and daughter. The Christian's hope is theirs. - LESLIE.—Annie, youngest daughter of Bro. Edmund Leslie, of N. Sydney, C. B. Her death occurred at Dorchester, Mass., April 29th. Age 19 years and 4 months. Her illness, inflammation of the lungs, was short. Our young sister was highly esteemed and loved on account of her amiable and cheerful disposition as well as for her excellent Christian character. Her remains arrived here her father's home on the eve of the 13th inst. Her funeral took place the following day. - CLARK.—Mr. Elijah Clark, of the Baptist congregation at Fredericton, died after a long sickness, on the 18th of May, aged 78 years. He was a native of the Annapolis Valley. His father was a brother of the late James Clark, of Bridgetown. When a young man, he came to St. John, where he learned the latter trade. Then he moved to Fredericton and began business for himself in 1841. He combined the hat and shoe business. He was married in 1842 to Miss Margaret McKee, of St. John. They had four sons and five daughters. The sons all died after arriving at manhood. Three of the daughters passed away in womanhood. The surviving children are M. George Hatt and Miss M. Alice Clark, Q. Teacher in the Normal school. Mrs. Clark has survived all these bereavements. Mr. Clark was the oldest merchant of Fredericton. He never made a public profession of religion, but he had great respect for religion, and died looking to Christ for salvation. He had the respect of the entire community in which he did business for 53 years. He served as a director of the N. B. People's Bank, and also in several civic offices. His children and widow have the sympathy of a large number of friends. The funeral services were conducted by Dr. Saunders. The attendance was large. - SHEFFIELD.—Della, daughter of May and Beckwith, of Cornwallis, N. S., wife of Dr. M. Sheffield, of St. John, N. B., passed peacefully from this life on the 18th inst. at 7.15 p. m. She was born anew in Christ when residing in

LENT.—Abram S. Lent, of Tuskot, on the 7th instant departed from his earthly home for the eternal mansion of the redeemed and justified, aged 67 years. He had been ill for some time, but contracting cold settled into pneumonia, which terminated in dissolution. Bro. Lent was the son of the late Rev. James Lent, and was the subject of pious convictions in early youth. He embraced the truth as taught in God's Holy Word, and united with the Tuskot Baptist Church, of which he continued a faithful member till death. He was clerk of his church, and was the subject of pious convictions in early youth. He embraced the truth as taught in God's Holy Word, and united with the Tuskot Baptist Church, of which he continued a faithful member till death. He was clerk of his church, and was the subject of pious convictions in early youth.

FRASER.—At East Point, P. E. I., May 14th, Jessie Fraser, third daughter of the late Dea. Alexander Fraser, of South Lake, aged 67. Sister Fraser was converted at the age of fourteen years, and baptised by Rev. John Shaw into the fellowship of the Baptist Church at East Point, of which she continued to be a consistent and useful member till her death. She was one of our best Sunday School teachers, active in the Women's Mission Aid Society work, and liberal to the cause of God with her money. She is gone, and we miss her, but she rests from her labors and her works follow her.

FRANCIS.—At Brooklyn, Queen's Co., N. S., Feb. 11, 1894, Mrs. Susan Francis, (colored), aged 61 years, leaving a husband and family. Sister Francis was brought up from childhood in the family of the late Jonathan Locke, of Lockport. In 1829 she was converted, and joined the Baptist church in that place, remaining a member till death. While here she was much interested in this branch of the church, and will ever be remembered for her devotedness, the more from the fact that she was raised in the meetings, as her life showed in walking the way through the world. - FREEMAN.—At Montague Bridge, P. E. I., April 20th, and buried at Scotch Village, Newport, N. S., beside her son Frank, Olivia S. Freeman, beloved wife of Rev. A. Freeman, at the age of 49 years, after 8 months' illness. Thus we record the departure from earth of a truly heroic soul, made perfect through suffering. She always, while with us, took great delight in his duties. Her heart and home were ever ready to the call of friendship, especially to the young. She was in best mood when contributing to the enjoyment of young people. The cause of Christ lay very near her heart; plans, hands, and prayers were drawn out for the benefit of the souls of the Church of Christ, but now there is rest, the perfect blessedness of redemption. Her works do follow her. - DUNBRACK.—It becomes our painful duty to record the death of Esther Dunbrack, youngest daughter of James and Sophia Dunbrack, of Lower Meagher's River, Meagher, who died on 21st March, at her parents' home. Deceased was 21 years of age, a young woman of excellent character and highly respected by all who knew her. Her short illness was not at first considered a very dangerous type, but it changed for the worse taking place, ended in death. The deceased was not a member of the church, but she died trusting in the atonement of Christ. The sorrowing family and friends have a deep and ardent sympathy for the bereaved community. The funeral services were conducted by the pastor, J. D. Spidle. - MURRAY.—The death of Harry S. Murray, son of Mr. George Murray, deacon of North Sydney, occurred on 1st May, after a protracted illness. Deceased had fallen a victim to that dread disease consumption, and had been in poor health for about three years. He returned home from the Pacific coast several years ago, his health having at that time been somewhat improved. He was one of our best men, and his memory was held in the highest esteem. His parents and relatives have the sympathy of the community in their sad bereavement.

TO HELP HUMANITY!

A lady in Lansdowne, Digby Co., N. S., makes use of above words in a recent letter to a St. John manufacturing house. She is greatly rejoiced that she can live in health after years of torture. Doctor's and other medicines could not relieve her of chronic constipation. A surgical operation was declared necessary, so severe was her distress. But a friend advised "Groder's Syrup"—a remedy that is an acknowledged cure for stomach ills. To her complete surprise it relieved her at once, after ten years of intense pain. She uses the medicine regularly, but in decreasing doses. Her letter is filled with gratitude for all that "Groder's" has brought to her.

Physicians, the world over, endorse it; babies and children like the taste of it. Weak mothers respond readily to its nourishing powers.
