Weak and Run Down, With Heart and Kidneys in Bad Condition—Restored by Hood's Sarsaparilla.

"I was very much run down, having been sick for several months. I had been trying different remedies which did me no good. I would have severe spells of coughing that would leave me prostrate. I was told that my lungs were affected, and my heart and kidneys were in a bad condition. In fact, it seemed as though every organ was out of order. I felt that something must be done and my brother advised me to try Hood's Sarsaparilla. I procured a bottle and began taking it. Before it was half gone I felt that it was helping me. I continued its use and it has made me a new woman. I cannot praise it too highly." Mrs. SUMMERVILLE, 217 Ossington Avenue, Toronto, Ontario.

A. P. E. ISLAND J. P. WANTED.

INTERVIEWED BY THE PATRIOTS SPECIAL CORRESPONDENT.

Overwork Brought on Neuralgia and Shattered Health Generally—Passed Many Sleepless Nights.

From the Charlottetown Patriot.

The Patriot's special correspondent 'Mac' being in the eastern section of the island on business, heard many complimentary remarks concerning Dr. Williams' Pink Pills, which appears to be the favorite medicine in all parts of Canada. Among those who are very emphatic in the praise of this medicine is Neil McPhee, J. P. of Glencorralde, and our correspondent determined to call upon him and ascertain from his own lips his views in the matter. Mr. McPhee was found at home, and as he is a very entertaining and intelligent gentleman, our correspondent was soon 'at home' too. When questioned about the benefits he was reported to have received from the use of Dr. Williams' Pink Pills, Mr. McPhee said:—

"About four years ago I got run down, from overwork on the farm. As there is considerable timber land on my property, I thought I could go into making timber, in addition to my farm work. The task however proved too heavy for my strength, and I soon began to break down. I contracted a severe cold, neuralgia followed, and I found myself in shattered health generally. I felt very much distressed and discouraged and spent many sleepless nights. I tried several very highly recommended medicines, but received no permanent benefit from any of them. As Dr. Williams' Pink Pills were so highly recommended through the press, I thought I would give them a fair trial. After using a few boxes I found they were having the desired effect and I began to find my wonted health and strength gradually returning. I kept on using the pills until I had regained my former vigor and had gained considerably in flesh as well. Now I consider myself a healthier man and

feel as well as ever I did in my life. I can conscientiously recommend Dr. Williams' Pink Pills to any person suffering as I was. I have the utmost confidence in their curing properties.
Rheumatism, sciatica, neuralgia, partial paralysis, locomotor ataxia, nervous headache, nervous prostration and diseases depending upon humors in the blood, such as scrofula, chronic erysipelas, etc., all disappear before a fair treatment with Dr. Williams' Pink Pills. They give a healthy glow to pale and sallow complexions. Sold by all dealers and post paid at 50 c. a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont. Do not be persuaded to take some substitute.

Those persons who are afraid to trust anybody else would owe their caution probably to a thorough acquaintance with themselves.
