STORM PREVENTED
DREAMING WORLD'S SERIES GAME

First Three Games Will Be Played in Chicago—
First Game Possibly Today—Red Sox Second
Sacker Injured—Indicated Total Receipts Will
Approach Quarter of Million Dollars.

Chicago, Sept. 4.—Prevented by rain from staging the first game of the world's series today the Chicago Nationals and Boston Red Sox spent the day under cover preparatory to the game tomorrow, which, weather permitting will inaugurate the last struggle for the premier baseball honors to be played during the war.

Fred Mitchell, manager of the Cubs, and Manager Barrow of the Boston Club, kept their players closely segregated today, working out problems of defense and attack preparatory to the opening round of the battle tomorrow. Both leaders expressed confidence of the outcome.

The only outcropping of news which lightened an otherwise dismal, gloomy, season of the "hot stove" league, lay in the injury to Dave Shean, the Red Sox second baseman, who split the middle finger of his throwing hand during practice, and who, it was said, may not appear in tomorrow's line-up. Jack Coffey was picked to substitute for Shean with a possibility that Fred Thomas, who is on a furlough from the Great Lakes Naval Training Station, might be called into the fray to play third base.

August Herrmann, chairman of the National Baseball Commission, envisioned the hotel corridor gossip with the announcement that he expected the series to net \$25,000 for war charities. He said indications were that the total receipts this year would approach a quarter of a million dollars to be divided between the players, clubs, leagues and commission with the split for the runner-up, the third and fourth place clubs. Mr. Herrmann based his estimate on the receipts of last year, which in round numbers totalled \$350,000.

There is no way of telling at this time how the money-raised for the war charities will be divided. Whatever the amount may be, each of the parties concerned, the players, umpires, club owners and all other participants in the series, has agreed to donate a percentage of his share to the cause. It is very likely that some persons entirely outside the baseball will be asked to pick the charity to which the money is to be donated. It is possible that we may ask the secretary of war to donate the fund to some single charity or to distribute it among all recognized war activities. It is unlikely that the commission will take up in itself the distribution of the funds.

The possibility of a Sunday game in Chicago loomed large today. Overcast skies augured ill for tomorrow's scheduled contest and it was announced that in the event of a postponement or a tie game the first contest at Boston might be put over until Tuesday and a game staged in Chicago on September 8. The club owners were frankly in favor of this plan.

"Big Jim" Vaughn, the most consistent winner for the Chicago Nationals last season, favored Boston, and the mound possibilities for tomorrow. It was admitted that the choice of the Chicago twirler was between Vaughn and Tyler, both left-handers. Vaughn's prestige among the fans was counted on to overcome whatever advantage might accrue to Tyler as the result of previous world's series experience. Boston's choice for mound duty was in doubt. Harry Frazee, president of the club, was authority for the statement that whoever was chosen it would not be "Babe" Ruth, intimating that Ruth's prowess with the bat was considered a highly important factor in the series. It was believed that Manager Barrow would give Mays preference over "Bull" Joe" Bush, preferring to hold the latter under wraps in case Mays cracks under the strain of a big series.

"Here, Miss, Here's two cents, all my change," so spoke a fresh young English voice to one of the Y.W.P.A. collectors last evening on the King's Square. It was the first voluntary contribution made and the assembled collectors felt that it was a good omen for the start of the appeal which was being made for the Navy League, which takes care of the boys of the Merchant Marine as well as those of the Navy.

A large crowd gathered in the Square last evening attracted by the playing of the City Cornet Band, which played before the coming of the good ship "Navy League" ship, which have in sight about eight o'clock, was flying many flags, and was manned by the following crew: Miss Christian Edwards, Miss Gallivan, Miss E. Climo, Miss Audrey McLeod, Miss Diamant, Miss Helen Wilson, Colonel Mulcahy, Mrs. M. B. Edwards and E. L. Rising looked after the program.
