DEMONT'S CHAPTER MEETING.

DeMont's Chapter L.O.D.E., at its
meeting held yesterday morning in the
Board of Trade rooms, Mrs. W. R.
Foster in the chair, passed a recom-
mendation to the municipal council
that a memorial of the visit of the
Prince of Wales be erected here, this
being the first Canadian soil on which
he set foot. The sum of \$90 was vot-
ed the Victorian Order of Nurses and
several matters of routine business
were disposed of.

BAD BLOOD

Impure, Thin, Weak, Afflicts the
Great Majority of People

Whether in scrofula, sores, boils,
and eruptions; or as rheumatism
with agonizing pains and aches in
limbs, joints or muscles; as eczema
with its disagreeable inflammation
and discharge; in disturbed diges-
tion, or dragging down debility and
tired feeling—it is corrected by
Hood's Sarsaparilla, that new,
economical and reliable blood puri-
fying and building-up tonic. Thou-
sands use this medicine and praise
it for wonderful relief. Made from
the most valuable remedies that
physicians know, and unparalleled
in character, quality, taste and cur-
ative power. When a cathartic is
needed, use Hood's Pills.

WEDDINGS.

Doyle-Shields.

A very pretty wedding took place
in the Cathedral at six o'clock yester-
day morning when Rev. William Duke,
who was celebrant at nuptial mass,
united in marriage Miss Mary Ger-
trude Shields of Fredericton and Har-
old Doyle of this city. The bride was
attended. Mr. and Mrs. Doyle will
leave in a few days on a honeymoon
trip to Boston and New York.

Barnhill-Cripps.

Yesterday morning at half past six
o'clock in the Fairville parsonage, Rev.
A. S. Bishop united in marriage Miss
Harriet Cripps, daughter of Mrs. Ag-
nes Cripps and the late James H.
Cripps of Randolph, and W. Percy
Barnhill, youngest son of Mrs. Bertha
M. Barnhill and the late W. F. Barn-
hill of Fairville. They were unat-
tended. Mr. and Mrs. Barnhill left for
a short trip through the province.

Shields-Doyle.

Harold Doyle and Miss Mary Mar-
garet Shields were married by Rev.
W. M. Duke, the ceremony taking
place at six o'clock yesterday morning
with nuptial mass, at the Cathedral.
Mrs. Harrietta Doyle and Richard L.
Doyle were the witnesses. The hap-
py couple will take up their residence
on Broad street, corner of Sydney
street. The groom is a well known
diver and the bride, formerly of Fred-
erickton, has been a resident of Pad-
dock street for a year or more.

Rotary Club Held Luncheon

Sweethearts and Wives Guests
Last Evening—Presentation
and Pleasing Programme.

The St. John Rotary Club held a
very successful luncheon at Bond's
last evening, being largely attended,
the wives and sweethearts of the
members being guests for the evening.
At the conclusion of the luncheon,
K. J. MacIsaac, chairman of the finance
committee, presented Rev. R. A. Arm-
strong with a check, and gave a short
address congratulating him on the ar-
rival of a son and heir. This was re-
sponded to by Mr. Armstrong.
E. J. Terry, the president of the
club, presided. The music was con-
ducted by Dr. H. Spangler. A solo
and recitation were very pleasingly
rendered by Thos. Guy and Miss
Gladys Terry, respectively.
The luncheon came to a customary
termination by the singing of God
Save the King. A large number of
those present went in a body to the
play at the Imperial.

FUNERALS.

The funeral of Mrs. James Gillen
was held yesterday morning from her
late residence, 10 Kitchener street to
Holy Trinity church where requiem
high mass was celebrated by Rt. Rev.
J. J. Walsh, V. G. D. P. Interment
was in the new Catholic cemetery.
The spiritual and floral tributes were nu-
merous.

The funeral of Mrs. Eliza A. Prince
was held yesterday afternoon from
her late residence, 58 Forest street to
Fornhill. Services were conducted
by Rev. F. J. M. Appelman.

The funeral of Mrs. Jane Robinson
was held yesterday afternoon from the
residence of her daughter, Mrs. J.
C. Leonard, 256 Gormans street to
Fornhill. Services were conducted by
Rev. S. S. Poole.

The funeral of Mrs. F. B. D. Hop-
kins was held yesterday afternoon from
her late residence, 15 Coburg
street, to Fornhill. Services were con-
ducted by Rev. F. S. Dowling, as-
sisted by Rev. S. Howard.

**EASE THOSE TIRED,
ACHING MUSCLES**

Outdoor and indoor workers, subject
to exposure or heavy toil, find
relief in Sloan's Liniment

BEEN at work all day, standing on
your feet, lifting heavy weights?
Never mind. If you are wise you
have a bottle of Sloan's on the shelf
at home or in the shop. Put a little
without rubbing and quickly
comes grateful warmth and relief.
Good for rheumatic pains, neuralgia,
sciatica, lumbago and the host of ex-
ternal pains that are all the time com-
ing. Heals broken up colds, too!
It's comforting to keep it handy.
Three sizes—35c, 70c, \$1.40. Made in
Canada.

TALES**

**Medical Staff Makes
Complaint To Board**

Hospital Commissioners De-
termine to Have Better Milk
Supply.

The Board of Commissioners of the
St. John Public Hospital held their
monthly meeting at the Board room,
yesterday afternoon. Those present
were the chairman, Dr. Daniel, Dr.
Crawford, Messrs. Kelly, Emerson,
Flewellling and Supt. Dr. Hedden.

Discussion on Complaints.

The business under discussion was
largely routine, some little consid-
eration of a thoughtful, fair-minded na-
ture, being given to the complaints
relative to the conduct of the hospital
which have appeared in the public
press.
It is but fair to state that the com-
missioners show a most commendable
disposition to rectify any wrongs in
the management of the institution, if
any are existing, and are carrying on
an investigation of their own to deter-
mine if any of the complaints lodged
by certain nurses who have quit the
Hospital have any foundation in fact.
A tray of food, as prepared for one
of the patients last evening was or-
dered brought in for examination. If
such is a sample of food daily served
to inmates of the Hospital, the Com-
missioners could see no cause for
complaint. It was wholesome, well
prepared and daintily served, and sur-
ely brands one of the complaints as be-
ing overdrawn.

Routine Matters.

It cost \$3,595.85 for the conduct of
the institution for the month of Octo-
ber. The bills were approved and
cheques ordered drawn for payment.
The most important matter of busi-
ness under discussion was relative to
an auxiliary plant for lighting pur-
poses in case of an emergency. A con-
sulting engineer from Montreal filed a re-
port setting forth the requirements
for such a plant as would be needed.
To provide such, he estimated an in-
itial expenditure of \$10,000.

It was the consensus of opinion that
something of the nature was needed,
as the sudden going out of commission,
by accident or labor trouble, of the
Power Company's plant, might jeopardize
the life of a patient. This matter was
remote possibility, but was fully con-
sidered. The Board thought they had
worried along so far, and believed it
wise to plunge into a considerable
outlay at this time. There was a possi-
bility of the development of the Mus-
quash power project, and it was
deemed best to wait a time and see
what that development might do to
fill the Hospital wants. However, a
committee was appointed to give care-
ful and thoughtful consideration and
study to the report of the expert on
lighting.

The Milk Question.

The milk question was again be-
fore the Board last night. Several
tenders have been made for the sup-
ply of milk. The Board believe
they cannot be too particular regard-
ing this important item of Hospital
diet. Before contracting for supply,
it was agreed that Dr. Hedden, Supt.
of the Hospital, and Dr. Crawford, of
the Board, should thoroughly examine
into the source of supply, have the bac-
teriologist make a report, and then
contract for the best in accordance
with the records secured.

Staff's Complaint.

At this point was introduced a let-
ter from the Medical Board of the
General Public Hospital complaining
of a statement appearing in The Tele-
graph of October 21, which reflected
upon the staff. The letter is as fol-
lows:
To the Board of Commissioners Gen-
eral Public Hospital, St. John, N. B.:
Dear Sirs:—At a meeting of the
Medical Board of the General Public
Hospital, held on October 29th, it was
unanimously resolved that the fol-
lowing resolution be presented to the
Board of Commissioners of the Gen-
eral Public Hospital:

"Gentlemen: Attention has been
directed to an article in the St. John
Telegraph of October 21, in which the
following statement occurs:
"The medical staff of the hospital
have been complaining of having
the hospital standardized, but it was
said at the meeting that what was
required was not more accommodation
in the hospital, but more intensive
work on the part of the staff and a
higher class of work."
Your Medical Board are of the opin-
ion that the above statements are not
only injurious to the hospital, but also
unfair and damaging to the members
of the staff.

Under the circumstances we would
be pleased to know whether the state-
ments, as quoted, expressed the opin-
ion of the board, and if not, whether
they were the expressed opinion of
one or more members of that board.
"We would also be glad to know
by whose authority these statements
were published in the daily press?"
It is the matter of record that the
consensually carried out services of
the staff met with such a reception.
"The Medical Board would be deep-
ly gratified to receive a communica-
tion from the commissioners with as
little delay as possible."
J. H. ALLINGHAM,
Secretary.

Medical Board Reply.

In relation to the above matter
concerning the query of the Medical
Board, a letter was drafted by the
commissioners expressing regret that
any feeling had been stirred up, and
disclaiming any intent or act on the
part of the board that in any way re-
flected on the ability and sincerity of
the staff. The letter also referred
the staff to a communication appear-
ing in The Standard this morning re-
garding a statement made to the
Telegraph by Dr. Hedden.
The letter, which speaks for itself,
is herewith published:

November 3, 1920.

To the Editor of The Standard:
I desire through your paper to put
before the public a correction of cer-
tain wrong impressions, arising out of
a misquoted interview. On being
asked over the telephone by a press
reporter if it were true that the Board
of Commissioners had rejected the
proposition to standardize the General
Public Hospital by providing increased

**TAKE CARE
OF
THAT COUGH**

Some people get a nasty cough and
don't pay much attention to it, saying,
"Oh, it will wear away in a short
time," but while it may wear off, seri-
ous injury may have been done to the
lungs and respiratory organs by the
prolonged, harsh, racking coughing.
On the first sign of a cough or cold
get a bottle of Dr. Wood's Norway
Pine Syrup. It will stop that nasty,
troublesome cough, ease the tightness
across the chest, and loosen the
phlegm.

Mrs. Wm. Earnshaw, Apsley, Ont.,
writes:—"Last winter I caught a bad
cold, had a sore throat and a terrible
hacking cough that I could not get rid
of. I could not sleep at night. I tried
quite a few remedies but they did not
do me much good until I got Dr.
Wood's Norway Pine Syrup. By the
time I had taken two bottles, my
cough was all gone. I feel that "Dr.
Wood's" has no equal."

When you get Dr. Wood's Norway
Pine Syrup, you are not experiment-
ing with new and untried remedy, but
one that has a reputation extending
over thirty years.

Put up in a yellow wrapper, three-
pence trees the trade mark; price
55c. and 60c. a bottle, manufactured
only by The T. Milburn Co., Limited,
Toronto, Ont.

accommodation, I replied that the
matter of standardization of hospitals
was not so much a matter of increas-
ing the bed capacity as it was of im-
proving the quality of work done by
the medical and surgical staffs with a
more intensive study of cases. This
was reported as follows: "The Board
is desirous of having the hospital
"standardized," but it was said the
"meeting that what was required was
"not more accommodation in the hos-
pital but more intensive study on the
"part of the staff and a higher class
"of work." This obviously conveys an
entirely erroneous impression. As
proof of my contention that it is a
higher class of work that the Ameri-
can College of Surgeons requires, I
submit the following official statement
of the minimum standard for hospi-
tals. From the above it will be seen
that no reflections were made on the
quality of the work performed by the
medical and surgical staff of the Gen-
eral Public Hospital. In addition, at
this time I would point out that while
three nurses have resigned from the
nursing staff within the last six
months, that these positions have all
been filled with entirely satisfactory
nurses. We expect from time to time
that the hospital will lose some of
its nurses to other and smaller insti-
tutions by offers of increased emolu-
ment. This is a state of affairs com-
mon in all hospitals throughout the
country, and also in all other lines
of business. It is but natural that the
St. John General Public Hospital,
with the largest training school for
nurses between Quebec and Halifax,
should be looked to to supply qualified
nurses to other hospitals in the same
territory.

Yours very truly,
HENRY HEDDEN, M. D.,
Superintendent, General Public
Hospital, Saint John.

Standardization.

The following on the minimum re-
quirements of the American College
of Surgeons, which is under considera-
tion by the Commissioners:

Minimum Standard.

1. That physicians and surgeons
privileged to practice in their respec-
tive fields, and (b) worthy in
character and in matters of profes-
sional ethics; that in this latter con-
nection the practice of the division of
fees, under any guise whatever, be
prohibited.

2. That the staff include and, with
the approval of the governing board
of the hospital, adopt rules, regula-
tions and policies governing the pro-
fessional work of the hospital; that
these rules, regulations and policies
specially provide:

(a) That the staff meetings be held
at least once each month. (In large
hospitals the department may choose
to meet separately.)
(b) That the staff review and anal-
yze at regular intervals the clinical
experience of the staff in the various
departments of the hospital, such as
medicine, surgery and obstetrics; the
clinical records of patients free and
pay, to be the basis for such review
and analyses.

3. That accurate and complete case
records be written for all patients
and filed in an accessible manner in
the hospital, a complete case rec-
ord being one, except in an emer-
gency, which includes the personal
history, the physical examination,
with clinical, pathological and X-ray
findings when indicated; the working
diagnoses; the treatment, medical and
surgical; the mechanical processes; the
condition on discharge with final diag-
nosis and, in case of death, the
autopsy findings when available.

Staff Gets Returns.

In commenting upon an article in
The Standard of November 1st, pur-
porting to be an interview with a
prominent physician, a member of the
hospital staff, Dr. Daniels, chairman
of the commissioners, referred to the
claim put forth regarding the work
"gratuitously" done by members of
the staff. He thought the public was
under great obligation to the phy-
sicians and surgeons of the staff, but

IN THE EDITOR'S MAIL

To the Editor of The Standard,
St. John, N. B.
Sir—Permit me, through your
journal, to convey a word of thanks
to those many friends and neighbors
who, on Monday, on the occasion of
a fire at the Boys' Industrial Home,
immediately came to our assistance.
We would gladly thank each person
by name, but for the fact that many
who came were not known to us
formerly. The combined efforts of
these men, with the firemen, resulted
in the safety of all lives and the re-
covery of a quantity of material and
tools that might otherwise have been
lost. To all we are most grateful.
Sincerely,
A. J. PARKER,
Superintendent.
St. John, N. B.
Nov. 3, 1920.

PUBLIC UTILITIES COMMISSION

The Public Utilities Commission
yesterday heard the application of the
City of Moncton to continue the order
made last November restricting the
use of gas in the City of Moncton. It
was stated that all parties to the
agreements were favorable to its con-
tinuation and after hearing the evi-
dence the Board decided to allow the
order to remain in force. The hear-
ing in the application of the Board
of Health re the rental of the tele-
phone at the Isolation Hospital was
set for November 24.
