Candidates Were Named by Fifteen Hundred People in Attendance. Both Sides.

The talk on the streets yesterday relative to Dominion politics was that at treal. Dutch Island Harbor, R I, Oct 1, schrs Manuel R Cuza, from Philadelphia for Bel-fast; Annie Laura, from New York for St John, N B; Vietor, from New Haven for Stockton would be offered the nomination in St. John. Later on Dr. Stockton was in St. John. Later on Dr. Stockton was quoted as saying he would not run and the substitute name was that of Mr. John Chesley.

In the ansate of the total of the test of the sector of the sec tic in the unanimous nominaton and a "walk-over" to victory is inevitable unless the Conservatives can rally dissenters throughout the ranks. Gourly, the Con-servative candidate, is entirely thrown for. The free-for-all, to be trotte over by the chief Conservative workers and his wire pulling is creating disgust in all sections. Renominated.

The body of Private Brown of "D" company, Canadian regiment, now in gar-rison here, was found in the harbor to-day. He, with a contrade, went out in a boat 12 days ago and have been missing ever since. There is no trace of the other. It is supposed the boat was upset and both were drowned. The little two and a half year old boy named Joseph W. Conrod, son of Levi Conrod, climbed on a pole on a fence near his home this afternoon as he saw larger children doing. He lost his bal-ance and fell off, striking on his head and breaking his neck.
