A thoroughly enjoyable recital was given in the Opera House last Friday evening under the auspices of Red Cross, the entertainers being Mrs. Mabel Hall Hardy, of Gloucester, Massachusetts, elocutionist; Miss Eunice Curry, soloist; Miss Helen DeWolfe, violinist. A well selected program was rendered with fine artistic ability. The audience was charmed to hear Mrs. Hardy in Wolfville again, and the grace and naturalness of her readings will be remembered with pleasure. The audience was large, and fifty-eight dollars (receipts from tickets) were added to Red Cross funds, beside eleven dollars contributed by the "Camp Fire" girls for candy sale that evening.

Mrs. Gordon Martin, one of our summer visitors from New England, has been visiting relatives in Windsor and Halifax.

Rev. J. D. Spidell, of the Kentville Baptist church, will occupy the pulpit here next Sunday morning and evening. His daughter, Miss Evelyn Spidell, will sing at each service. The occasion is anticipated with much pleasure. Mr. Spidell preached to large congregations in this church last Sunday, also, when his morning subject was "Man made in the image and likeness of God," and that of the evening, "Deep calls unto Deep."

Mr. and Mrs. Frank Gertrige, and friends, Mrs. Sheridan and daughter, of Boston, and Mr. Walter Duncan, of Texas, are touring the province this week in Mr. Gertrige's new "Overland."

The most pleasant social affair this season was a lawn tea recently given for Red Cross, the hostess being Miss Jackson, on whose lawn it was held. The tables and grounds were beautifully decorated with Red Cross emblems and flags of the Allies. Mrs. James Gertrige and Miss Clara Martin poured tea; and Miss Evelyn Spidell, Winnie Davison, Minnie Eagles, and Mrs. Gordon Martin, of Cambridge, Mass., served. Many guests assembled and the occasion was a success in every way.

We beg to explain that no personal allusion was intended in a remark which appeared in these items lately in re "recruit or machine gun." No place of this size that we have heard from has done more for Red Cross. The ladies are tireless workers. But there is no place where soldiers' uniforms are worn out of fashion and our young men could do as good work in them as any other Canadians. Won't there be any recruits from Gaspereau? Course there will.

A song service was held at the home of Mr. and Mrs. John Coldwell last Sunday evening, when the young people had the pleasure of welcoming home Mr. Archibald Coldwell, who comes from Massachusetts to visit relatives here.

Mrs. Daniel Coldwell has a flock of barred Plymouth Rock chickens in which she may well take pride. The eggs were brought to her from Massachusetts, being carried carefully in a handbag on the journey, but had a shaking up in their carriage ride up the mountain. Two weeks later they were put under the hen and in just twenty days each egg turned out a sturdy chick.
