LAMPS TO-DAY!

Long winter nights require plenty of light, and what better light than lamp-light?

Gas in its place is good, indeed, we couldn't do without it; but in the past few years there have been so many improvements devised in lamps that the modern artistic lamp far surpasses any gas-jet for softness of light, brilliancy and reflecting powers.

We are headquarters for lamps—that means we sell every style, kind and description of modern art lamps, table lamps, piano lamps, banquet lamps, in polished brass, in Bisque and in bronze.

The prices are low, when quality, beauty and finish are considered.
