Why work for Imperial Oil?

You're about to graduate. It will be an important moment in your life—the culmination of the decisions you made when you chose your course of studies. Soon you will face another important step—your first career job. Imperial Oil/Esso Resources would like to talk to you about that step. Canadian energy demands promise growth in our business operations and this means major opportunities for you in nearly every part of our country. We're a very large organization but we're structured in such a way that we resemble a family of small businesses working together. That means you get a chance to develop your career in diverse ways. And our salaries and benefits are among the best in the industry. That is what we offer you. What we are looking for is people who want careers instead of jobs, who seek challenge and change and the chance to be a part of a vital industry.

Let's talk together about your next step.
