Ottawa, November 21, 1935.

Dear Sir:

Your letter with regard to your claim in the Home Bank was duly received by Mr. Meighen and he immediately took up your case with Mr. Weldon, of Toronto, but before a reply was received he had to leave the city for a much needed rest after his strenuous efforts during the late campaign. This has now come to hand and in Mr. Meighen's absence I am taking the liberty of forwarding it to you. I trust that ere this letter reaches you you will have received the forms in question.

Yours faithfully,

For Private Secretary.
