Ottawa, 23rd August, 1909.

With \$4.00

Sir,-

In reply to your letters of the 20th instant, I beg to say that the Department has already issued the full number of permits available in connection with the sale of beadwork and other wares at the Toronto Exhibition, and therefore I regret to say that it will not be possible to accede to the request made by Mrs. Mary Deliste and Elizabeth Stacey to visit the Fair and carry on a sale of their wares. Under the circumstances I return herewith the money which you forwarded, namely \$4.00. Kindly return it to the proper persons.

Your obedient servant,

Secretary.
