by the adjudication of a tribunal not being one of the recognized tribunals of the country, and to which they have not consented.

If the Commission should in future return any matters which you think ought to have been attended to by them, if you will kindly draw my attention to the particular clause of the Agreement under which you deem it comes up for consideration, the Commission will be very glad to give it its best attention, and if it comes within its powers to deal with it.

Yours very respectfully,

Chairman.
