"A work of genius."—*Chicago Evening Post*.

"'Orthodoxy' is the most important religious work that has appeared since Emerson."—*North American Review*.

"Mr. Chesterton was luminous; he has become incandescent. He has become orthodox—and proves it in most heterodox fashion."—*Chicago Tribune*.

"I have just read Chesterton's 'Orthodoxy' with the greatest delight. It is certainly the best book of his that I have ever read. Its remarkable brilliancy ought to do a great deal of good."

Wm. Lyon Phelps, Yale University.

"It is likely to produce a sensation. It is an extraordinary book and will be much read and talked about. It will come as a surprise to Mr. Chesterton's readers, since it shows him serious—beyond a doubt. But in becoming serious Mr. Chesterton has not ceased to be clever. His epigrams still pop and his paradoxes bewilder. In writing of serious things, he apparently sees no reason for being sad about them."—*N. Y. Globe*.
