# BE PREPARED

**HIS** is the trenchant motto of the "**Baden-Powell**" **Boy Scouts** and covers in a very concise way the entire aims and objects of the organization. In the following pages will be found a few of the many useful accomplishments which a boy is taught in the Scouts.

Is your boy doing in his spare time? Keep him out of mischief and danger by enrolling him in the **Boy Scouts**. It will do him an incalculable amount of good, both physically and morally.
