

BILIOUSNESS and LIVER COMPLAINT.

SYMPTOMS :

**Languor, Dull Spirits,
Yellow Eyes,
Coated Tongue,
Sick Headache,
Variable Appetite,
Sallow Complexion,
Aching Shoulders.**

THE liver is very liable to be attacked by different disorders, and few people escape biliousness or liver complaint altogether. These complaints prevail especially in spring when the system is overloaded with strong food during winter, and the bowels become clogged, the digestion poor, and unhealthy bile accumulates. Nausea, faintness, dizziness, costiveness and diarrhoea alternately, pain under right shoulder or in the head and eyes are among the usual symptoms, and continue until the bile is removed and the liver regulated.

CURE.—(1) Regulate the bowels carefully; an occasional dose of little Burdock Pills is very beneficial to anyone inclined to be bilious; (2) At the commencement of an attack take a purgative dose of Burdock Pills, and continue the treatment by taking Burdock Blood Bitters (the most effectual liver regulator known) according to directions. B. B. B. stimulates and arouses the liver and regulates its secretions, at the same time purifying the blood, while it removes through the bowels and kidneys the impure matter which clogs up the liver and renders it torpid and inactive. In this way, and also by improving digestion and toning the whole system the liver is quickly restored to proper action, while biliousness, liver complaint, etc., are removed without fail. See testimonials.

When Other Medicines Fail B. B. B. Cures Completely.

GENTLEMEN.—I have used B. B. B. for biliousness and find it the best remedy for this complaint. I used several other remedies, but they all failed to do me any good, so I resolved to try B. B. B., which has cured me completely. I recommend it to all.

Feels Like a New Man.

DEAR SIR.—I think it my duty to let you know what B. B. B. has done for me. I have spent hundreds of dollars in doctors' medicine and got no benefit. I was unable to work for three years with liver complaint, indigestion and kidney trouble. Being advised to try B. B. B. I did so, and now feel like a new man. I have used seven bottles and the effect is wonderful. I think there is no better medicine made.

Excels all Others.

DEAR SIR.—Your Burdock Blood Bitters excels all other medicines that I ever used. I took it for biliousness and it has cured me altogether.

Sincerely Stated.

SIRS.—I have been troubled with liver complaint for five years, often unable to work with the pain in my sides and shoulder blades. A neighbor who had used it urged me to try B. B. B., and I took three bottles, which I can sincerely say have made me feel like a new person. I find your Burdock Pills also excellent for use in my family.
