

**THE
LOCKED-WIRE
FENCE CO.,
INGERSOLL,
ONT.**

We will exhibit at
all the fairs.

The accompanying
cut represents five
panels of fence and
gate of the LOCKED-
WIRE FENCE which
is now built with im-
proved corrugated
hardened steel stay
and Bessemer steel
clamp, a combination
which is proof against
the most unruly stock
or designing men. The
crimp in the wire, in
combination with
steel clamp, when
locked acts as a spring,
adjusting the fence to
heat or cold.

—PERFECTLY—
**Safe, Stronger, Better
AND CHEAPER**
than any other fence,
and without doubt
the best fence on
the American
continent.

All persons having
wire fences erected in
the past, should use
the stays and steel
clamps of the Locked
Wire Fence Co. on
them. The crimp con-
sumes all the slack,
makes the fence tight,
and adds over 100 per
cent. to its value, at a
very small cost.

We desire to inform
the farmers and pub-
lic generally that we
are prepared to supply
the material or erect
this fence throughout
the Dominion of Can-
ada.

Recollect, we are the
only firm that is fur-
nishing the genuine
material in the form
of the corrugated
hardened steel stay
and Bessemer steel
clamp.
