GOSSIP. Her Majesty the Queen won both Shorthorn championships at the Royal Counties Show, held at Winchester, June 6-9, for best bull with the 2-year-old roan bull, Royal Duke, and for best female with the 2-year-old roan heifer. Cicely. Mr. R. Stratton had the reserve bull (Alto), and J. Deane Willis the reserve female (White Heather).

(White Heather).

Mr. Robert Graham, Claremont, Ont., returned home from South Africa last week. He was employed by the Government to superintend the transportation of horses that weith the second contingent. The cargo consisted of 681 horses, and all these were landed, except 38 which died on the trip. He says the task was a difficult one. The stable floor was kept as clean as a house, and the horses were led into the fresh air from two to three times a day. During the first week of the voyage the weather was extremely rough, and this was followed by great heat, which lasted till they reached Cape Town. The time from Halifax was 32 days on the steamer Milwaukee. He had to wait three weeks in Cape Town before he could get a ship on which to return. He saw Cronje, and saw the Boer prisoners put on the Milwaukee to start for St. Helena. He went on the Castle Line to Southampton, and from there to Canada on the Elder Dempster.

SPRINGHURST HERD OF SHORTHORNS.

or ewe lambs— Pari Cauogan, I, Fagilan Harbour Co.

Springhurst herd of Shorthorns owned by Mr. Harry Smith, of Hay P. O., near Exeter, Ont., was looked over and found in capital condition. The imported roan 3-year-old bull, Knuckle Duster, owned jointly by Mr. Smith and his brother-in-law, A. W. Smith, of Maple Lodge, was seen quietly grazing with the cows in the pasture, looking well in his everyday condition, and he is such a kindly feeder, that a few weeks preparation would fit him to win in the show-ring as he did last year, capturing the highest honors in the 2-year-old class at London and defeating the 1st-prize winner at the Toronto Exhibition the previous week. He is smooth and straight in his lines and has a grand head, showing ideal Shorthorn character. His quality of flesh and hair is right, and his calves are coming strong and full of quality and good form. In the list of females are nine of the favorite Village Blossom tribe, descended from the imported cow of that name, bred by Amos Cruickshank, and worthy representatives of the family. Six of the descendants of imp. Queen of Beauty, also bred at Sittyton, enrich the herd. The imported cow, Lady Bell 3rd, by Denmark, and dam by Gravesend, is a typical Scotch-bred cow and has a handsome heifer calf at foot, sired by Knuckle Duster. There are two excellent members of the fine old Strathallan family, by imp. Vice Consul, a Sittyton-bred bull and a sweepstakes winner. Other popular families represented are Duchenses of Gloster. Fair Queens, Buckingbams, Red Roses, and Matchlesses, besides daughters of the 1st-prize cow, Vanity, and of Bonnie Brae, dam of Bruce, the championship winner at the Provincial Winter Show, and other noted winners. Most of the young things over six months are the get of the grand old show bull, Abbotsford, and among these are some charming heifers and sappy young bulls of the proper type, while the younger calves own Knuckle Duster for their sire, and promise to maintain the high character of the herd.
