

WINDSOR DAIRY SALT

Is The Cheapest You Can Use

not alone, because it is the purest and best salt for salting butter. But because it will salt more butter, pound for pound, than any other salt you can use.

The big creameries will tell you this—and show you tests to prove it.

The Agricultural Colleges demonstrate this every day.

Every farmer and dairyman—who is getting good prices for butter—is using Windsor Dairy Salt.

It is pure—it makes beautiful butter—it works in quickly—and it is the cheapest in the end. Just try it yourself.

This man uses a BT Manure Carrier instead of a wheelbarrow. He saves half the work and time of cleaning his barn, saves all the manure, prevents disease among his stock and increases his profits in a score of other ways.

There is no reason why you should not own a BT Manure Carrier. We have the figures to prove that it will save its cost with a twelve months' use. Other men are making that saving. Why not you? Read the facts.

Don't be a Slave to the Wheelbarrow
Clean Your Barn the Easy BT Way

THE slow, hard, dirty, disagreeable work of cleaning the barn should now be a thing of the past. It is no more necessary to *wheel* the manure out than it is to *waste* the manure entirely. The BT Manure Carrier makes the work *play*—even for a boy. The big, 14-bushel tub lowers close to the floor. It is easily and quickly filled, with liquid as well as solid manure. It is easily raised—and an easy push runs the carrier out and away from the barn. Then it dumps its load directly into the spreader, wagon, shed, or on a pile—all *without any heavy work* on your part.

THE BT MANURE CARRIERS

You need one—if you want to have a MODERN dairy barn. You need one if you want to SAVE WORK AND TIME. You need one if you want to HELP PREVENT TUBERCULOSIS and OTHER diseases among your cows. And we can PROVE that YOU NEED ONE—IF YOU WANT TO INCREASE YOUR PROFITS.
