cure. No one need fear death by these pestilences who will fortify their bodies and regulate their systems with Radway's Relief and Regulators. If the body is covered with Boils, Sores, Ulcers, Fimples, Blotches, and frightful Eruptions, a dose or two of Radway's Resovating Resolvent will cure all sores, and make the skin smooth, clear and healthy. It will fill the veins with rich, pure and healthy blood, and eradicate disease from the system. Bear in mind the three great remedies, to be used are Radway's Ready Relief, Radway's Begulators and Radway's Renovating Resolvent.

thermany has ever been induced in to to by actions, the chemists and its philosophers. Amongst its chemists of the practical kind is the great Liebig, and next to him lethness. To the former we owe an insight into the nature and components of our various foods—to the interesting of the most invaluable knowledge of the power of herbs upon the healthful condition of the human frame. To the former the firstner applies for a him of how to make his land the most productive—to the latter, the great keepers and conservators of the physical condition of the people refer for the talisman of its renewed viriality, and a protection "from those ills which fiesh is heir to." In giving to the world the "Marvellous Herb Tea," which has already reached our shores, Rehnsen has concusted as universal want. The applications personally made to this filustrious chemist, in reference to his Medicious Tea, were gradually involving him in a correspondence, to the detriment of his other avocations, but by consenting to throw open the secret of its ingredients, he gets sid of a great responsibility—London Paper.
