It is nature's specific for Diarrhoea, Dysentery, Cramps, Colic, Pain in the Stomach, Cholera Morbus, Cholera Infantum, Sea Sickness, Summer Complaint, etc.

Rapid and reliable in its action.

Its effects are marvellous, and it is pleasant and harmless to take.

It has been a household remedy for sixty-two years.

Refuse substitutes. They are dangerous.

Mrs. Wm. Flevelling, Arthur, Ont., writes: "I find it much pleasure to recommend Dr. Fowler's Extract of Wild Strawberry as a grand cure for Summer Complaint. My little boy, one year old, was very bad with it, and a few doses cured him. I also used it on my other six children for cramps and still have half the bottle left. I cannot praise it too much."

## GOSSIP.

**OLD'S AGRICULTURAL FAIR.**  
This fair was held on October 9th and 10th, as owing to the stormy weather in September it was postponed till these dates and the authorities were rewarded with one of the finest of days. The crowd was big considering so much harvest was still in stock but the display of livestock was not up to the standard of the last two years and the entries were not so numerous. Produce was very good considering the season and entries plentiful: the following were the chief prize-takers: in horses, Messrs. L. Jensen, J. Dodd, G. A. Skinner, R. Campbell, A. Swanson, J. Rosenbargo, Gillies and Reed; cattle: Hutchinson, Nelson, Watkins; sheep: Watkins; pigs: Pamell, Hutchinson. We missed the well-known exhibits of W. Hammer with his excellent Shorthorns on this occasion.

## PRIDDIS AND MILLERVILLE AGRICULTURAL SHOW.

Priddis, Alberta, situated twenty miles south-west of Calgary, across the Sarcee Reserve in the beautiful foothills of the Rockies, proved to the hundreds of visitors that gathered on the banks of the picturesque Fish Creek on Friday, October 18th to view the products of that district, that the surrounding country need not take a back seat with any district in Alberta as far as producing the finest in the land is concerned. On that day was held the first show of the above Society, and with old-fashioned "Fair" weather with the approval of the show-men and populace nothing seemed wanting to fill the cup to overflowing and it certainly overflowed. As early as 8 a.m. wagons, democrats, buggies and riders began to wend their way to the grounds of the Agricultural Society, and a little later the automobiles and carriages from Calgary became conspicuous, and then on every corner you began to hear the exclamations of surprise which continued throughout the day—My! what fine horses! Say, where did those cattle come from!—were some of the questions overheard—and certainly the exhibit would have done credit to a much older and larger town than Priddis. To give the winner in each class and section would occupy too much space, as all classes were well-filled. In the heavy stallions, any age, C. G. Standish was the happy winner of the Grand Championship; Melrose Ranch got the first in Percherons, also first for heavy draft team, while C. Williams took the plum in the Agricultural Class with a team that will be heard of at the Dominion next year. In roadsters, G. R. Shortt carried off most of the ribbons, while Armstead Bros. added to the interest in that class. E. D. Adams took first for Carriage Team; H. Ford, second; Messrs. D. E. Wilson, first in single drivers and E. D. Raldes first for gentleman's saddle horse with H. Ford second. In the light-weight stallions the sensational little Terrington Magnifico from Melrose Ranch was an easy winner. In the Grand Championship, C. E. Wilkinson won first with his thoroughbred. In the Shorthorn class John Ramsay carried off the bulk of the prizes with a splendid showing while E. D. Adams secured most of the red tickets in the Galloways; H. Ford's dairy cow "Jane of Lakeroy" was an outstanding winner in her class. In sheep and swine, the principal prizes went to Melrose Ranch. Vegetables, roots, grains, and grasses were in profusion and the display of bread and butter "just like your mother used to make" would make your city boarders' mouths water for a chance at it. The races in connection were well patronized and ended with an exciting Bucking Contest. All ended with a grand ball held in the Priddis Hall, a fitting ending to a day long to be remembered by the Ranchers and farmers of Priddis and Millerville. Much credit is due to the management and exhibitors for the success attained in spite of the late harvest season, and other adverse conditions and especially to such exhibitors as John Ramsay, E. D. Adams and Melrose Ranch. The awarding of prizes by Mr. Hallman of Ardrie, for horses, and Mr. Paisley, of Lacombe for cattle, sheep and swine was done in a most satisfactory manner to the exhibitors and both have made many friends in Priddis by their courteous and gentlemanly treatment of all who came in contact with them.
