The Telephone is a Daylight Saver

Everyone endeavors to make the most of the daylight hours. In these modern times life each day is fuller and each hour must mean far more than it did yesterday.

There is no better aid to daylight saving than the telephone. Nothing can help you more to make each successive hour of greater value.

Whether you telephone one mile or one hundred miles, it is all the same. The telephone saves you hours. It lengthens your day, giving you time for many things.

PREPARE FOR A GOOD POSITION
