called the Silvertonion and will be devoted to the interests of the district surrounding the growing town of Silverton.

A bold attempt at shopbreaking was made here the other night. The street door of Messrs. Slitt & Mills' grocery store was burst open and the midnight visitor proceeded to empty the cash till. The till was fitted with an alarm bell, and the noise awakened Mr. Mills, who occupies rooms above, and he started to investigate. The stranger promptly disappeared through the open door and around the street corner.
