cognizance of \$600.

Diamond Dyes.

Our success consists in anticipating the wants of the public and meeting them. How well we do this is shown in the thousands of mail orders coming to us from villages and towns in this and other Provinces. We saw the need of peop'e who wanted to buy at The Big Store without coming to Montreal, and we met them more than half way.

THE SCOTCH CONCERT.

The Singing of Mr. T. J. Scott and His Assistants Was much Appreciated.

There was a comfortably filled house approaching the hospital. If this is car- last evening to listen to the strains of ried out it will be impossible to drain the principal avenue of the town east-rendered by Mr. T. J. Scott. The concert was much enjoyed, and was in every Paul street. A storm drain will have to be constructed, at a great expense, so afterwards expressed the opinion that it as to conduct the water of both blocks was the best of its kind that Rossland

that cross street. In addition to this the fill necessitated from Monte Christo street to St. Paul wreet, by the raising of the grade, will take 9,000 cubic yards of earth, which, apart from the cost of excavation, will cost \$4,500 for this one block alone. The binerize of Chumbic superconduction to the musicale. This was followed by Mr. Scott, and followed by a recita-tion, "Dinna Ken," which was warmly welcomed. Mr. Frank Oliver then sang cost \$4,500 for this one block alone. The bringing of Columbia avenue up to grade the Toronto board it closed for \$1.15 asked and \$1.07 bid. It sold for \$1.02. On the forth board \$1.40 is asked for it. of the main thoroughfare is not included in this estimate. On the other hand, if this grade is not made as planned, the new court house will be several feet above the grade, and another flight of steps will become nec-essary. Also all the newer houses erected on Columbia avenue, where affected by the contemplated grade, will therefore

the contemplated grade, will therefore have to be raised likewise. Some ar-rangement will therefore have to be made having the consent of all parties con-

In the meantime it is probable that "Loch Lomond," which was sung with the additional water pipe asked for for much feeling. As an encore he gave "Will the new court house will not be put Ye no Come Back Again?" Miss O Keil in, for if placed in accordance with the profiles established it would be a foot or bischoff's song, "Good Night, Sweet profiles established it would be a foot or so above the present grade. If put in at Giant, 5,000, 314; 5,000, 314; 5,000, all it would have to be taken up again at respond to the repeatedly reiterated wish es of her audience for an encore. Mr. Scott's next was "Sons of Bonnie Scot-land," and as a follow on he gave a humorous recapitulation of Scottish Hisalready a line of small nipe in the road. tory from the days of Junus Caesar to these of Lord Roberts, making the nar-

rative a vehicle tor a series of anecdotes rative a venicle for a series the reputa-tion of Dean Ramsay. The last number of the program was the duet, "Maying,"

The open cut for a water tipe on Col-umbia avenue is a distinct inconvenience which was taken by Miss O'Reilly and Nocan Star, 200, 75. Giant, 10,000, 3 5-5; 10,000, 3 1-2; 2,500, 3 1-4; 500, 3 1-4; i. X. L. 1,000,7 17.
