GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING ! NEW YeaR, Jan. 9, 1848. Da. HALSEV-DEAR SIR :-Having taken your Potest Wise and Pills to remove a disease of the Liver, from which I have suffered severly for upwards of ten years ; and, having adhered chaely to the directions which accompany the Mcdicines, I have recovered my health, notwithstanding all who knew me thought my case incurable. Pre-vious to taking the Wine and Pills. I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke desparingly of my case, and tried to persuade me from making use of any advertised remiedies ; and, I doubt not, but what there are hundreds who are dissuaded from taking your ex-cellent Medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in faming advertus-ments. But, what a pity it is that the deception used by others should be the means of dissuading-many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their ecod effect in less than three days ; and, in aix

when a tommerican making use of them, I was in a writched condition, but began to experiment beir good effects in less than three days ; and, in sur weeks from the time I purchased the Medicines, to the great surprise of all my friends, I was entirely curred, and had increased fifteen pounds in weight, whether the set beautified and the solution
