AFTER EFFECT OF FEVERS.

Banished Through the Use of Dr. Williams' Pink Pills

Following wasting diseases such as fevers, many people find it difficult to regain their former strength. They become breathless and tired out at the least exertion; their appetite is fickle and they often feel as though death was staring them in the face. The trouble lies with the blood, which has not returned to its normal condition and is lacking in the red corpuscles without which good health is impossible. It is at a time like this that Dr. Williams' Pink Pills prove their great tonic value. Every dose helps to make new rich blood which means health and vitality. Mrs. Theodore Foley, Athens, Ont., says: "Following an attack of typhoid fever I was left in a very weak and disheartened condition. The smallest exertion left me worn and tired out, and I was hardly able to get around, and naturally felt despondent. I decided to try Dr. Williams' Pink Pills and they proved of the greatest benefit to me. I am now as well and strong as ever, and can do all my own work, and as we live on a farm, it goes without saying that there is much to do. I feel, therefore, that I cannot say too much in praise of Dr. Williams' Pink Pills."

If you are suffering from the after effects of fevers, la grippe, or any acute disease, you should begin to get new strength to-day through the tonic treatment with Dr. Williams' Pink Pills. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

THORPE'S RECORD WAS BEATEN.

PRINCETON, N.J., June 6. — F. C. Thompson, student in the Princeton Theological Seminary, made a new world's record in the all-around championships held here yesterday, when he scored a total of 7,499 in the ten events. The previous records were 7385 made by Martin Sheridan of New York, and 7478 1-2, made by James Thorpe, subsequently disqualified for professionalism. Thorpe made his record last September at Celtic Park, N. Y.

The meet was sanctioned by the Amateur Athletic Union and open to all registered amateurs, but the only entries were Princeton students. I. H. Simons, M. Hayes and M. L. Davy competed against Thompson. Simons finished second with 5,266 points.

Thompson failed to equal Thorpe's records in any of the first three events, the 100 yard dash, the shot-put and the high jump, and when the fourth event, the half-mile walk, was started, he was 361 points behind the record. He did the walk in 3 minutes 33 seconds, making 547 points, as compared to 527 points made in this event by Thorpe, and also bettered Thorpe's records in all the following events except the broad jump. Thompson made his best showing in the high hurdles which he ran in 16 seconds flat.

VICTORIA, B.C.

Lew Scheff, writing in Lloyd's weekly on a tour through Canada, describes Victoria, B.C.:

"Victoria, the capital of British Columbia, has been dubbed 'The City Beautiful.' Adorned with handsome buildings and lovely parks and garlanded in flower gardens, it has well earned this sobriquet, and it may be recalled that the present King and Queen declared it the most beautiful city they had seen in their trip round the world. Yet Victoria is not merely, as its title might suggest, a place of many charms and endowments in which to loiter away an idle life. Once, no doubt, it had a reputation of being slow going. That reputation is vanishing before the irresistible onward sweep of a new era. As a matter of fact, Victoria is the largest shipping port of Vancouver Island, and a place of great importance in commerce. Shortly five great transcontinental railway systems will be making it their furthest west terminals. As a seaport, Victoria has the best of all guarantees of future greatness—proximity to the ocean, absence of fog, and security of vessels in port, to say nothing of safe and easy sailing to Pacific waters. The harbor improvements now being carried out by the Dominion Government are an indication that the Government enterprise is joining with natural advantages in assuring the future of this important city. So far as attractiveness to settlers, and particularly British settlers, goes, Victoria has nothing to fear by comparison with any other Canadian city. For one thing, the environment has the note of familiarity that comes of the presence of many men from the Old Country. Victoria is a very English city, and for all its far western setting, the Englishman in it feels at home. And so that the elements of natural beauty

ARE INDIGNANT OVER "DEBORAH"

TORONTO, June 9.—Following the decision by Judge Morson on the appeal that "Deborah" is not immoral that well-advertised play in the form in which it was approved by Wm. Banks, the censor, will be presented at the Princess Theatre to-night and for the remainder of the week.

Those who secured the conviction of the players before Magistrate Denison after "Deborah's" previous presentations are indignant over the situation and it is possible that further steps may be taken to drive the play from the Toronto stage. Nothing, however, will be done until after to-night's performance.

Not Even a Squeak

Some time during Saturday night thieves broke into the chicken coop of R. M. Devereaux, Hamilton road, and stole 20 chickens, some of which were prize hens. The thieves must have been experts at the business for none of the household even heard a squeak from the poultry as they were being transferred from the roost to the bag. The case is in the hands of the police who will endeavor to recover the stolen chickens.

Dr. Clark took no morning was

Dr. Clark took no morning was from Isaiah 44: 6: His sermon was a very eloquent and inspiring one.

Evening Sermon.
 At the evening service Dr. Clark took his text from St. John 6: 67, 68: "Then said Jesus unto the twelve: Will ye also go away? Then Simon Peter answered him, Lord to whom shall we go? Thou hast the words of eternal life." Dr. Clarke spoke of the fact that Christ had been a popular preacher and that at the time the text speaks of the people were turning away from Him and when that happened He turned to his little circle of disciples and asked, "Will ye also go away?" The speaker dwelt upon three reasons why the little circle of men were loyal to their Master. First, they were sincere and serious minded men; second, that if they turned from him there was no one that could help them as he had; third, the strong affection and confidence that had grown up through their knowledge of, and intercourse with Him. He closed by saying that Christ offered Himself and if we accepted Him and were loyal as these disciples He would be our friend and Saviour in life's greatest crisis.

Morning Music.
 At the morning service the choir rendered two anthems, Awake My

Brantford in the history of the Canadian Order of the Woodmen of the World. Over one thousand members of the order paid a great and long tribute to the departed members of their order by erecting over their last resting place a beautiful monument as a token of their esteem which they were held by their fellowmen. They also laid beautiful bouquets of flowers on the graves of deceased members as an exhibition of christian and brotherly love. The great and grand motto of the order "That no Woodman shall sleep in an unmarked grave," was clearly demonstrated by the solemn and impressive services held by the Woodmen in the different cemeteries yesterday afternoon. The rendition of sacred music by the Dufferin Rifles band and the singing of hymns by the Brant Quartette added much to the christian spirit which was displayed. There were members of the order present from the west as far as London and St. Thomas, east as far as Toronto, south from the lake front and north from Owen Sound. Lodges in the intermediate points also sent representatives. The citizens turned out by the thousands and flocked to the cemeteries to witness the ceremonies, which were

"Gone but not forgotten." This was the thought that flashed through the minds of those who attended the services.

In the Morning
 Yesterday morning the visiting brethren arrived on special and regular trains, and by noon the city was besieged by hundreds of out-of-town Woodmen. The hotels were kept busy serving meals to the large number of visitors.

At the morning service Dr. Clark, previous to introducing his sermon, congratulated the pastor and congregation upon the erection of such a beautiful and commodious house of worship and wished them many days of usefulness together. It was just 25 years ago yesterday that Dr. Clark opened a ministry of a few months at the Zion Presbyterian church in this city, in the absence of the late Dr. Cochrane, who was in Europe. He spoke of having very kindly thoughts of the citizens of Brantford and the
