THE CORRECT WAY TO TREAT A COLD

A cough is not a distinct disease. It is the result of inflammation caused by a cold. Therefore, the only way to cure a cough is to allay the inflammation which invades the delicate bronchial tubes. All of the narcotics in the world will not correct the conditions which cause a cough—they simply deaden the senses and afford temporary relief.

Penslar White Pine and Spruce Balsam with Menthol will promptly soothe and heal the inflamed membranes and overcome the nervous irritation. Price, 25c and 50c the bottle.

French Transport Sunk Near Malta

Berlin, Dec. 14—An official communication issued today says:

"A German submarine on December 4th, near Malta, sunk the transport steamer Algerie, 4,000 tons, which was in the service of the French navy.

The Algerie was bound from Saloniki for France. Of the military men on board, one officer and six men were made prisoners."

AUTOINTOXICATION OR SELF-POISONING

The Dangerous Condition Which Produces Many Well Known Diseases.

HOW TO GUARD AGAINST THIS TROUBLE

"FRUIT-A-TIVES" — The Wonderful Fruit Medicine — will protect you

Auto-intoxication means self-poisoning, caused by continuous or partial constipation, or insufficient action of the bowels.

Instead of the refuse matter passing daily from the body, it is absorbed by the blood. As a result, the kidneys and skin are overworked, in their efforts to rid the blood of this poisoning.

Poisoning of the blood in this way often causes Indigestion, Loss of Appetite and Disturbed Stomach. It may produce Headaches and Sleeplessness. It may irritate the kidneys and bring on Pain in the Back, Rheumatism, Gout, and Rheumatic Pains. It is the chief cause of Eczema — and keeps the whole system unhealthy by the constant absorption into the blood of this refuse matter.

"Fruit-a-tives" will always cure Auto-intoxication, or self-poisoning — as "Fruit-a-tives" acts gently on bowels, kidneys and skin, strengthens the bowels and tones up the nervous system.

50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

SIR THOMAS WHITE

STATEMENT OF SIR THOMAS WHITE

Toronto, Dec. 18—Sir Thomas White, minister of finance, who is in the city for the Massey Hall meeting, this evening handed the following statement to the press today:

"The charges made in this morning's Liberal press that I have been engaged in a conspiracy against the honored leadership of Sir Robert Borden, from whom I hold my portfolio and to whom I am bound by ties of the closest personal friendship, are odious beyond contempt and unworthy even of contradiction. Speaking for myself and myself only, I do not regard a coalition government as either necessary or practicable at this time and I appreciate more than I can say the unwarranted use of my name in this connection. The Prime Minister of Canada has my admiration, confidence and full support in the arduous and trying duties to which he is so earnestly and patriotically and unreservedly devoting his strength and abilities.

GASOLINE AT SIX CENTS PER GALLON

Manufacture of radium worth more than \$1,000,000, a saving of more than \$20,000,000 worth of natural gas in the Blackwell field of Oklahoma, manufacture gasoline at a cost of six cents a gallon, development of an electrical furnace which promises to wipe out losses of \$10,000,000 a year in the melting of brass, and the saving of many lives through the promotion of scientific mining methods, are among the achievements of the United States Federal Bureau of Mines outlined in the annual report of the director, Van H. Manning.

The International Film Company's moving pictures have been barred from Canada. These pictures are controlled by the Hearst interest, and the banning of them from Canada is an outcome of the recent action of the Government in prohibiting the entrance of all Hearst publications into Canada.

An inventory of the man power of Canada is to be taken the first week in January. From the statistics it is hoped to be able to estimate the number of eligible men in each district, so that to estimate the number of eligibles can be particularly directed to them. If the required men do not come, undoubtedly conscription will be next in order. A similar census will show what men are available for work in munition plants.

SCHOOL TEACHER

Wards Off Nervous Break Down

Alburtis, Pa.—"I am a teacher in the public schools, and I got into a very nervous, run-down condition. I could not sleep and had no appetite. I was tired all the time. My sister asked me to try Vinol. I did so, and within a week my appetite improved and I could sleep all night and now I feel well and strong."

—Rosa M. Enslin, Alburtis, Pa.

We guarantee Vinol, which contains beef and cod liver peptones, iron and manganese peptones, and glycerophosphates for run-down conditions.
