### PRIZES FOR PRODUCTION AND TIDY GROUNDS

Having been constituted a Committee to deal with the details of apportioning the prizes of \$20.00, \$15.00 and \$10.00, offered by George E. Graham, Esq., General Manager D. A. R., we beg to submit the following:

Under normal conditions it would be considered advisable to offer the major portion of the prizes for the encouragement of more beautiful home grounds but under present conditions the Committee are of the opinion that the major portion of the prizes should be offered to stimulate increased production.

With this in view we advise that the prizes be divided into three classes:

(a)—For the School Boy or Girl.  
(b)—For Other Than the School Boy or Girl.  
(c)—For Those Having the Most Tidy Places.

We would suggest that the follow be the prizes offered:

(a)—For the School Boy or Girl.

1st—To the school boy or girl growing the most value in produce on an area of 300 sq. feet at regular market rates. Prizes: 1st, \$2.50; 2nd, \$1.50; 3rd, \$1.00.

2nd—To the school boy or girl growing the largest amount of marketable dry beans on 200 sq. feet. Prizes: 1st, \$2.50; 2nd, \$1.50; 3rd, \$1.00.

3rd—To the school boy or girl having the best flower garden of 50 square feet. Prizes: 1st, \$2.50; 2nd, \$1.50; 3rd, \$1.00.

(b)—For Other Than the School Boy or Girl

1st—To the home gardener who is growing produce on his own land for his own family. Prizes: 1st, \$2.50; 2nd, \$1.50; 3rd, \$1.00.

2nd—To the one who is growing produce on land not adjoining his own home. Prizes: 1st, \$2.50; 2nd, \$1.50; 3rd, \$1.00.

3rd—For the best plot of potatoes 1000 square feet. Prizes: 1st, \$2.50; 2nd, \$1.50; 3rd, \$1.00.

4th—For the best plot of field beans 1000 square feet. Prizes: 1st, \$2.50; 2nd, \$1.50; 3rd, \$1.00.

(c)—For Those Having the Most Tidy Places.

1st—For the best front lawn. Prizes: 1st, \$2.50; 2nd, \$1.50; 3rd, \$1.00.

2nd—For the best kept back yard. Prizes: 1st, \$2.50; 2nd, \$1.50; 3rd, \$1.00.

It will be seen that \$30.00 of the donation goes toward stimulating increased production, and \$15.00 toward the improvement of the home grounds.

In awarding the prizes the judges will follow as closely as possible the following points:

For Section "A" Points  
Variety 25  
Quality of Produce 25  
Cultivation and Care 25

For Section "B" Points  
Variety 10  
Area 15  
Quality of Produce 50  
Cultivation and Care 25

For Section "C" Points  
Lawn 10  
Shrub and Trees 25  
Flowers 25  
Finish 25

The prizes offered are very substantial and should induce considerable competition.

Your Committee have endeavored to arrange the list of prizes so that old and young, school children and those not school children may have an opportunity to compete.

Dates of planting the different crops and the method of preparation are to be furnished the judges on application.

Those wishing to enter the competition should advise the Secretary of the Patriotic Planting Club, Mr. Laurie Ellis, by May 1st.

Respectfully submitted,  
MR. W. S. BLAIR
