SHORT SENTENCE
Calgary, Alta., Nov. 5.—A one hour sentence to be served in the court room, was imposed on Robert Rowe, a Gleichen rancher, in the supreme court today by Judge Bogk. Rowe had shot a cow belonging to a neighboring rancher named Munro. The judge lectured both parties for bringing such a trivial matter into court. Rowe had already spent 28 days in the Calgary barracks.

FISHER FOR ROME
Ottawa, Nov. 6.—The first sitting of the cabinet council since the election was held at Sir Wilfrid Laurier's house today. Only routine business was transacted. The ministers present including Sir Frederick Borden, Sir Richard Cartwright, and Hon. A. B. Aylesworth, S. A. Fisher, C. Murphy, W. Patterson, and T. P. Brodeur. Hon. Sydney Fisher leaves today for Rome to attend the international congress on agriculture.

FIRE AT HALIFAX
Halifax, N.S., Nov. 6.—For three hours this evening the entire city fire fighting apparatus battled with the flames in the Black Bros., four story brick building, on Water street, and it looked for a time as if the entire block, including Pickford & Black's steamship warehouse, would be swept away. The fire started in a room on the top floor of the building in which a large quantity of pressed hay was stored. Four firemen were injured and had to be removed.

BANK WRECKER SENTENCED
New York, Nov. 6.—Judge Hough this morning sentenced Charles W. Morse to fifteen years in the federal penitentiary at Atlanta. The judge sentenced Curtis to five years, but suspended sentence. Both were convicted of misappropriating funds of the National Bank of North America and making false entries. Immediately after sentence was pronounced Morse's counsel asked for a writ of error on an appeal to the United States circuit court of appeals, and ten days' stay of sentence was then granted.

MAIL FOR NORTH
Ottawa, Nov. 6.—The winter mails for Fort McMurray, Fort McKay, Fort Chippewyan, Fort Resolution, Hay River and Forts Province, Stinson, Wrigley, Norman, Good Hope, and McPherson, will leave Edmonton on Nov. 30. Registered letters will be given preference, and then ordinary letters according to priority of posting.

PROSPECTING UP NORTH
Edmonton, Nov. 5.—A. A. Parker, of Minneapolis, who, it is understood is representing the Grand Trunk Pacific and old country capitalists, returned to the city today from a prospecting trip up north. He was accompanied by John Rutherford, a mining engineer of Victoria, B.C. The two men went up in June by way of Port Essington and Hazelton. They went through the Bobly and Nechaco valleys and up the Pataspulp river to Finley. They came home through the Pine Pass and the Peace river, thence to Edmonton. The men were much impressed with the possibilities of the north country when it gets transportation facilities. While the explorers were reticent, it is understood that the G.T.P. intends building a line from Edmonton through the Pine Pass to the Pacific coast and that these men are securing information for the company about the country.

New York, Nov. 1.—New York society will be surprised to learn that in another month it is to entertain the countess of Warwick, a close personal friend of King Edward, with her husband the Earl of Warwick. This famous noblewoman was here two years ago, but she made that visit practically a business one and lived in seclusion. She accepted only a few social attentions and hurried home. On this occasion, however, she has some plan in her mind, the nature of which has not been learned, but which will place her much before the public and her visit is likely to be extended. It was learned today that Mrs. George Augustus Sala, widow of the famous literature friend of this medicine.

and herself a woman of prominence, was in the country for six days, and would make arrangements for the visit of the earl and countess. The two will be her guests when they come in December, and Mrs. Sala will establish a home here for their reception.

The Bible in Rhyme

The following poem is from the parish paper of the Church of the Holy Apostles, Philadelphia. It is a concise summary of the contents of the books comprised in the Old Testament.
In Genesis the world was made
By God's creative hand,
Leviticus contains the law,
Holy and just and good;
Numbers records the tribes enrolled,
All sons of Abraham's blood.
Moses, in Deuteronomy,
Records God's mighty deeds;
Brave Joshua into Canaan's land
The hosts of Israel leads.
In Judges their rebellion oft
Provokes the Lord to smite;
But Ruth records the faith of one
Well pleasing in his sight.
In First and Second Samuel
Of Jesse's sons we read.
Ten tribes in First and Second Kings
Revolt from his seat.
The first and second Chronicles
See Judah captive made;
But Ezra lead a remnant back
By princely Cyrus' aid.
The city walls of Zion
Nehemiah builds again,
Whilst Esther saves her people
From plots of wicked men.
In Job we read how faith will live
Beneath affliction's rod.
And David's psalms are precious song
To every child of God.
The Proverbs, like a goodly string
Of choicest pearls appear.
Ecclesiastes teaches man
How vain are all things here.
The mystic Song of Solomon
Excels sweet Sharon's Rose.
Whilst Christ the Saviour and the King,
The rapt Isaiah shows.
The warning Jeremiah
Apostate Israel scorns,
His plaintive Lamentations
The awful downfall mourns.
Ezekiel tells in wondrous words
Of dazzling mysteries.
Whilst kings and empires yet to come
Daniel in visions sees.
Of judgment and of mercy
Hosea loves to tell.
Joel describes the blessed days
When God with man shall dwell.
Among Tokoa's herdsmen
Amos received his call,
Whilst Obadiah's prophecies
Of Edom's final fall.
Jonah enshrines a wondrous type
Of Christ the risen Lord.
Micah pronounces Judah lost,
Lost, but again restored.
Nahum declares in Nineveh
Just judgment shall be poured.
A view of Chaldea's coming doom
Habakkuk's visions give.
Next Zephaniah warns the Jews
To turn, repent and live.
Haggai wrote to those who saw
The temple built again.
And Zachariah prophesied
Of Christ's triumphant reign.
Malachi was the last who touched
The high prophetic chord;
Its final notes sublimely show
The coming of the Lord!

RHEUMATISM IN THE BLOOD

Liniments and Rubbing Will Not Cure It. The Disease Must be Treated Through the Blood.
The trouble with men and women who have rheumatism is that they waste valuable time in trying to rub the complaint away. If they rub hard enough the friction causes warmth in the affected part, but in a short time the pains and aches are as bad as ever. All the rubbing, and all the liniments and outward application in the world won't cure rheumatism, because it is rooted in the blood. Rubbing will not remove the poisonous acid in the blood that causes the pain. But Dr. Williams' Pink Pills will, because they are a blood medicine acting on the blood. That is why the aches and pains and stiff swollen joints of rheumatism disappear when these pills are used. That's why sensible people waste no time in rubbing, but take Dr. Williams' Pink Pills when the first twinges of rheumatism come on, and these especially drive the trouble out of their system. Mr. John Evans, 12 Kempt Road, Halifax, N. S., says: "About three years ago I had an attack of rheumatism which settled in my right leg and ankle. Which became very much swollen and exceedingly painful. I craved a good deal of time trying to get rid of the trouble by rubbing with liniments, but it did not do me a bit of good. My daughter was using Dr. Williams' Pink Pills at the time and finally persuaded me to try them. Inside a week the trouble had entirely disappeared and has not bothered me since. My daughter was also taking the pills at the time for weakness and anaemia, was also cured by them, and I am now a firm believer in the famous literature friend of this medicine."

What might have resulted in a more serious accident occurred on Friday last about a mile north of town when the boiler on Ed. Festling's threshing outfit blew up doing itself severe damage. The loss is in the thousands.

NEWFOUNDLAND ELECTIONS

(Continued from page 1.)
House will not meet until late in the winter or early in the spring. In Newfoundland elections cannot be held in the outlying districts except in the summer or autumn. If when Premier Bond meets the house, there are one or two vacancies on the opposition side, or even if the legislature meets in winter, an election before spring or early summer would not be considered. Premier Bond has held power now for two terms. This is the beginning of the third. For eight years he has held sway in the ancient colony, and there will yet be some exciting times in deciding whether it is to continue.

A large and very enthusiastic meeting of the Woman's Hospital Aid was held on Monday afternoon at which the following resolutions were passed:
"Any lady of the executive who without sufficient cause absents herself from three consecutive meetings ceases to be a member."
"Whenever any project is undertaken for the good of the hospital each individual member is supposed to do her share of the work, consequent of such project or provide a substitute."

SERIOUS DEPLETION IN FUNDS

HARD TIMES HARD ON THE POOR CONSUMPTIVE
Muskoka Free Hospital for Consumptives Makes an Urgent Appeal for Money.
\$25,000 Required to Cover Bank Overdraft and Provide for Maintenance of Four Patients.
These head-lines tell the story of our needs. They are heavy and urgent. Many times during the past twelve months the question has pressed itself upon the Trustees, "Can we continue the work further?"

GRENFELL, NOV. 6.

The preliminary hearing of the charge of shooting at John Sickerich, with intent to murder, preferred against James Forrest was held this morning before Harry Sayer and Isaac Jones, justices of the Peace. Levi Thompson of Wolesey was present to prosecute for the crown, while the accused was represented by B. P. Richardson. The evidence of John Sickerich and members of the family was taken, but no evidence was offered for the defence. The accused was committed for trial. Bail was fixed at \$3,000, but has not been secured yet. Forrest had been a tenant on the Sickerich farm for two years, but quit the place last month. The alleged shooting took place while Forrest was taking a load of straw off the place, which he states Sickerich told him he could have, but afterwards tried to stop him from taking it away.

SLEEPLESS BABIES ARE SICKLY BABIES

When babies are restless and sleepless it is the surest possible sign of illness. Well babies sleep soundly and wake up brightly. Sleeplessness is generally due to some derangement of the stomach or bowels or to teething troubles. A few doses of Baby's Own Tablets will put the little one right, and make it sleep naturally and soundly. Mothers need not be afraid of this medicine as it is guaranteed by a government analyst to contain no opiate or narcotic. Mrs. Louis Reville, Gtawas, Ont., says: "I am never without Baby's Own Tablets in the home. I have used this medicine for my children as occasion required, for the last five years, and have found it superior to all other medicines in curing the ills of childhood." Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

FREE HOSPITAL FOR CONSUMPTIVES

These had to be paid somehow. Contributions—especially after the turn of the year when the financial depression was felt at its keenest—fell off to such an extent, that each month the burden became heavier. During all this period there was only one thing to do, and that was to lean on our banker—swelling the bank overdraft. The trial was the severest in the history of these Muskoka Homes, in which nearly 3,000 persons, stricken by the dread white plague, have been cared for.
