## Weak Kidneys

Weak Kidneys, surely point to weak Kidney Nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organs itself, but in the nerves that control and regulate and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone is futile. It is a waste of time, and of money as well.  
If your back aches or is weak, if the urine smells, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can do for you. Druggist recommend and sell.

An excellent remedy for Rheumatism, Lame Back, Etc., Etc.

Read the following testimonial from a man you all know:

Mr. W. A. Singleton, Portland, Feb. 8, 1908.  
Dear Sir,—In the winter of 1905 I was laid up with La Grippe and unable to get relief from several other patent medicines. I was convinced by several of my neighbors to try St. Regis Lumbago Cure, and I can thankfully say it was the first thing that gave me immediate relief. Since that time I have never been without it in my house, and cannot speak too highly of it, especially for children, as it will break up a cold at once. I have also found it a sure cure for lame back.  
You are at liberty to use my name for reference if you wish to publish it for the benefit of others. I am yours truly,  
W. A. SINGLETON

If your dealer does not keep this medicine kindly ask him to order same for you as any first order will be filled promptly.

## District News

### NEWBORO

Mr R. S. Morris of Rodney, Grand Master of the A O U W, paid an official visit to town last Monday evening and delivered an address of encouragement to the local lodge. D.D.G.M. Mr H. Y. Farr was also present and took charge of the invitation of 10 candidates.

Mr W. P. Richards, commercial master of Duluth Business College is spending his holidays in town.

Miss Mae Pinkerton, teacher in training of Ottawa Normal school, arrived home for the holidays last week. Mrs R. I. Stevens, Delta, was the guest of Mrs Wm. Bass a few days last week.

Miss Myrtle McKinley, Seeley's Bay, is the guest of her sister, Mrs. A. Green.

Mr J. J. Gallagher, manager of the local branch of the Union Bank, spent Dominion day at his home at Hastings.

A large excursion from Oliver's Ferry was brought to town last week on a steam yacht in charge of Capt. A. Hartwell, formerly of this place.

Miss Mollie Tett gave a charming picnic party at the Elbow on Thursday afternoon to a large number of friends in honor of her cousins, the Misses Hopkins of Watertown, N. Y.

The local bowling team played a series of games in Brockville on Saturday with some of the Eastern Hospital bowlers.

Summer tourists are coming to town in large numbers.

Miss Helen Simmons, a recent graduate nurse of St. Mary's Hospital Rochester, N. Y., was renewing acquaintances here on Tuesday.

Revs John and Ben Wright of Plevna, sons of the late Rev Randal Dean Wright, Athens, formerly of this place, came to town on Friday in their fast steam launch, the Bessie, and spent a few hours in town renewing acquaintances.

Last week Mr W. Morris, Portland, landed a 29 lb. salmon in Devil Lake about three miles from here. This is one of the largest fish ever caught in local waters and Mr Morris feels very proud of his catch.

### UNION VALLEY

Mr. Pablo, the distinguished and widely known cheese expert, in company with Mr. Almeron Wilson, of Athens, the local cheese instructor, paid Mr. Morton Topping's cheese factory a visit lately. After the inspection, they expressed themselves as well pleased and said that all things were highly satisfactory. The patrons are pleased with the showers of Providence, the good product and excellent prices—not a murmur.

Mr. Mansen Hayes has built a fine saw-house, including 4 pens. In the walls tarred and felt paper are freely used and the five thicknesses of boards have a finish of dressed matched ash. In a dwelling it would be called wainscotted. It has double doors, cement floors and troughs with best modern fixtures. It is being well painted as fast as finished. Mr. Oliver Hayes is the architect and builder and the work is as close as on a dwelling. He is ingenious and clever on this class of work.

Messrs. W. C. and Burton Hayes are making advanced changes in their dairy buildings at an outlay of \$300 or over. This will be in keeping with their large, fine Holstein dairy herd. Their farm buildings are well arranged to receive ultimate additions and so form a completed group in the end. They are certainly up-to-date farmers, which is saying a good lot at the present time.

Mr. Stanley Haskins commenced haying last Monday, June 29. He will have a good lot.

Mr. Thomas Topping returned to his brother Morton's the 6th ult. from the Saskatchewan district, where he is head agent for the Massey-Harris firm. He is on furlough for one month.

Union Valley includes a large area of prosperous and peaceful farmers, and we would say all are healthy and well if we did not see Dr. Harte passing so often. These people are fond of orange-ade, lemon-ade and ice cream, and the experts here say that Union Valley dishes of ice cream are heavier and contain a better quality of cream and more eggs than any yet discovered. The article makes the mouth water for the fifth dish. So may it ever be.

Matrimony? Yes. This locality, Temperance Lake and two or three others if grouped, reminds one of a checker board, where a single jump—moving a man out of the way—would sweep half the men off the board and lead to a grand dash on the king row. Among them are clever lady players Beware, young gentlemen!

Piles are easily and quickly checked with Dr. Shoop's Magic Ointment. To prove it I will mail a small trial box as a convincing test. Simply address Dr. Shoop, Racine Wis. I surely would not send it free unless I was certain that Dr. Shoop's Magic Ointment would stand the test. Remember it is made expressly and alone for swollen, painful, bleeding or itching piles, either external or internal. Large jar 50c. Sold by All Dealers.

### ELIODA

There are special services next Sunday at the school house. At 9.30 Sunday school, Rev Reed preaches at 2.30 p.m. and in the evening there will be a song service.

Robert Holmes said a flying visit to see some of his friends on Monday.

Some of our youngsters went to Ogdensburg on the 4th.

Mr and Mrs M. J. Kavanagh spent Sunday at McIntosh Mills.

Miss Harriet Green was called home from Lansdowne by the death of Mrs T. D. Spence. We are glad to see Miss Green looking so well after her severe illness.

Some of the farmers have commenced haying.

Mr W. F. Earl of Athens has purchased Sunnyside cottage.

Everybody should come to the lawn social to be held on Mrs Johnson's lawn on the 13th.

Pain will depart in exactly 20 minutes if one of Dr. Shoop's Pink Pain Tablets is taken. Pain anywhere. Remember! Pain always means congestion, blood pressure—nothing else. Headache is blood pressure; toothache is blood pressure on the sensitive nerve. Dr. Shoop's Headache Tablets also called Pink Pain Tablets—quickly and safely coax this blood pressure away from pain centres. Painful periods with women get instant relief. 20 Tablets 25c. Sold by All Dealers.

### GREENBUSH

The showers of Saturday have caused a smile to rest on the farmers' faces in this section.

Haying has commenced here but hay is light, caused by the old meadows being run out and the new ones being injured by last year's drought.

The prospect for a large crop of corn is good this season. T. Kerr can boast of having the best field of corn in this section—corn that is now tasseled out.

H. Watts had the misfortune to lose a valuable colt last week. Death was caused by farry.

We are glad to see that Mrs Almeron Blanchard is able to attend church again, after being so dangerously ill.

Samuel Tackaberry is gradually failing, with no hopes of recovery. He is about 70 years of age.

Our school has closed for the summer vacation. The teacher Miss Arm strong, has resigned and will engage in some other occupation.

Mrs David Blanchard, after visiting various parts of Ontario, has arrived in town and is nicely settled in her old home.

Miss Winnie and Lola Olds of Brockville are visitors at the old homestead.

The Greenbush and Addison Sab bath schools are uniting to hold a picnic at Delta Park on Tuesday.

Roy D. Kerr has resigned his position as teacher in Whitehurst school and will engage in the dental business.

Heat prostrates the nerves. In the summer one needs a tonic to offset the customary hot weather Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr. Shoop's Restorative. Its prompt action in restoring the weakened nerves is surprising. Of course you won't get entirely strong in a few days, but each day you can actually feel the improvement. That tired, listless, spiritless feeling will quickly depart when using the Restorative. Dr. Shoop's Restorative will sharpen a failing appetite; it aids digestion; it will strengthen the weakened Kidneys and Heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by All Dealers.

"The People's Column" for small ad's affords the public a cheap and effective means of buying, selling, renting or changing. If you have any unsatisfied want or if you want to satisfy the want of some wantor, make the fact known through this column. It will do you good.

### SUPPER AND PRESENTATION

A very pleasant evening was spent at the residence of Mr. Hicks, General Merchant, Rockspring, Tuesday, June 30th, the occasion being the departure of Miss Hazel Washburn of Athens, who is leaving public school work to finish her Normal Course in Toronto. After a bountiful supper, Miss Washburn was presented with a beautiful India paper Morocco bound Teachers Bible and hymn book to match, as a slight token of the esteem in which she is held by the whole community.

During the three years Miss Washburn has been in charge of the public school at Rockspring she has been very devoted to church, Sunday school, and missionary work, her kindly christian character leaving its impress on the whole community. The best wishes of her friends go with her that she may be successful in her studies, and with better educational equipment she may enjoy a wider sphere of usefulness in school and in church work.
