This New and Novel Garment  
is Bound to be the  
UNIVERSAL SHIRT.

YOU ASK WHY  
?

- 1st—Because the front wont break or push up.
- 2nd—The braces passing under the front don't drag or break it.
- 3rd—Perspiration cannot touch the front.
- 4th—The collar button at the back of the collar band being covered prevents the irritation and galling of the neck, which the old style of shirt does.
- 5th—The attachment at back to keep the tie in place.
- 6th—Solid comfort in wearing it.

#### Queen's Birthday.

The trout caught by the town councillor in the "Gaspereau river" last week was a whopper.

It gladdens the heart of the average newspaper publisher to have subscriptions and renewals come along promptly, says an exchange. So it does.

The Orchardist is very much worried with the fear that Wolfville citizens will not be allowed to compete at the Exhibition which Warden Roscoe says in the same issue will not take place next autumn at Kentville.

Rev. Dr. Boggs will on Monday evening, 27th inst., deliver an address in the vestry of the Baptist church. His subject will be: "The Uniqueness of Christianity among the Religions of the World." No collection. All are invited.

The approach of the anniversary hub-bub is now being felt throughout the length and breadth of the land. Wood-piles are being whitewashed and quantities of "balloon sleeves" are in the course of construction. Already nearly all the available accommodation has been engaged by prospective visitors.

There will be a meeting of the Wolfville Town Improvement Society in Harris' Hall next Tuesday evening at 8:30 o'clock, for the purpose of completing organization, electing by-laws, the election of officers, etc. A full attendance of the members and all interested is urged. We bespeak for the society the support of all our citizens.

The work on the Royal Hotel addition is being pushed forward as rapidly as possible and Mr. Beckwith expects to have it completed about the last of June. This will give thirteen more sleeping rooms. The dining room will be extended and improved, and the whole when finished, will give much greater facilities for the accommodation of summer visitors.

Chocolate Creams 15c. lb. at the Evangeline Kandy Kitchen, next to Book Store.

We are glad to see improvements being made in many of the properties in town. In some instances dilapidated fences have been removed, and in others new fences have been erected. Grounds are being improved and buildings newly painted. Well-kept grounds are a credit to any town, and the resident who expends money and time in this direction is a public benefactor.

The telephone and electric light poles, throughout the town present a very untidy appearance. The town council should see that they are not used for posting advertising matter upon. The tagged remains of those now on should be removed and the poles repainted. This is required in other towns and the same course should be pursued here. Let us have this done before the summer visitors arrive.

We have received a neat little volume entitled "A Heart Broken Coroner, and Other Wonders." The authors are Mr. A. M. Belding, formerly associate editor of the Dominion Illustrated, now of the St. John Sun, and Mr. Harry A. Woodworth, of the St. John Record. It contains about eighty pages of humorous prose and verse and is an interesting addition to provincial literature. The book may be had by sending 15 cents to A. M. Belding, box 24, St. John, N. B., and we would advise our readers to procure it.

Edward Daniels, of Foster Settlement, Lunenburg, was found dead in his "burnt land" last week. He was 80 years of age and it is supposed his death was caused by excessive heat.

Attention is directed to the card of Dr. A. J. McKenna, D. D. S., elsewhere in this paper. Dr. McKenna has taken rooms over F. J. Porter's store and will be in Wolfville on Mondays and Saturdays to attend to the wants of patrons.

Last Saturday evening "Crystal" Band of Hope, on invitation, paid a visit to Acadia Lodge. Notwithstanding the disagreeable state of the weather there was a good attendance of the young people. An excellent programme was given and a very enjoyable evening was spent.

The Bank of Nova Scotia has been asked to open subscription lists at the different offices in the Maritime Provinces, in aid of Mrs. Stirling's home for destitute children, at Aylesford, which has recently been destroyed by fire. This is a most praiseworthy charity which should be supported by philanthropic people everywhere.

Seeds—anything you want in them. Call at the old reliable Drug Store.

The sch. Hattie C. Capt. Curry, with a cargo of coal from New York, which arrived here on Tuesday last week, through some mismanagement of the pilot was driven into the wharf, and badly strained. It was feared at first that she would prove a total wreck, but on Tuesday night she floated and was brought alongside the wharf, where she is being unloaded. Her cargo was for the Wolfville Coal Company.

A fresh supply of garden and flower seeds from reliable dealers, at the Drug Store.

The social held in the vestry of St. Andrew's church last Friday evening, was a very pleasant affair. The room was prettily decorated for the occasion—parlor furniture, paintings and draperies quite transforming its appearance. About a hundred persons were present, and all appeared to enjoy themselves. A choice programme of vocal and instrumental music, and readings was given, and ice-cream and other refreshments were provided.

A few more of those nice scales left and will be sold at greatly reduced prices. Call at once. Wolfville Book Store.

Presentation to Dr. Jones.

A very pleasant episode took place on Sunday, the 19th inst., in Professor Jones' class-room in connection with the Sunday school. The Professor's remarks were suddenly but pleasantly terminated by the presentation of a large and well-executed portrait of himself—the work of the cunning hand of Miss Melinda Higgins. This presentation was accompanied by the following address:

To our Teacher, Dr. R. V. Jones:

We, the scholars of your Sabbath school class, desiring in some way to show our appreciation of your faithful and zealous services in the Master's behalf as well as in ours, hereby present you with this small token of our regard and esteem.

You have been for some years our esteemed teacher and you have imparted to us from the rich treasury of God's word many valuable truths and important principles.

Although we cannot express through this gift the esteem and love which we have for you, yet it will tend, we trust, to encourage and sustain you along your way. Our earnest prayer is that you may still continue with us, and that we may each be blessed of God through your instrumentality.

May the Master still continue to graciously aid you and make you the means in His hands of giving many more, as you have given us, an insight into His word. And may you at last receive from the Master the welcome: "Well done."

The gift was a surprise to Dr. Jones. He expressed his feelings in a few off-hand words. He spoke of his appreciation of the gift and of the kindly feeling and spirit that prompted its bestowal; of the deep and tender emotions necessarily awakened by such thoughtfulness on the part of the class; of his increasing interest in Bible study and the necessity of enkindling an interest in it in others; of the enlarging desire all over Christendom to know more about the Word of God; of the need of regarding the Scriptures as a true revelation from God; and the importance of studying the Scriptures in an earnest, intelligent, thorough, and systematic way.

May the cordial relations which exist between Professor Jones and his class grow and strengthen with the year, and may the number of those that desire to know the Holy Scriptures which are able to make wise unto salvation be greatly multiplied.

Rev. O. C. S. Wallace has been appointed by the senate to the chancellorship of McMaster University, Toronto, made vacant recently by the resignation of Dr. Rand. Rev. Mr. Wallace has been pastor of the Bloor Street Baptist church, in Toronto, for the past year or so, and the senate have had ample opportunity of measuring his ability. His appointment to the chancellorship at McMaster will be learned with pleasure by his many friends in this county.
